

**REOPEN SAN DIEGO PROCLAMATION
FOR SAN DIEGO BUSINESSES:**

**OUR BUSINESS STANDS
AGAINST DISCRIMINATION**

Basic equal access to food and services is one of the most important issues of our lifetime.

Family and friends should never be separated and discriminated against.

As restaurant owners, we create spaces for family and friends to come together and celebrate.

We believe that people have the right to consent to choose with whom they wish to associate.

Restricting access to eat based on vaccination status goes against our values.

It is bad for business, bad for the community, and it is completely unnecessary.

We, the undersigned businesses of San Diego County, publicly declare we will never discriminate against anyone and deny them the right to eat based on a vaccine passport.
