

America's Sheriffs have watched in disbelief as the southern border has turned into an invisible line in the sand. Border patrol agents have been relegated to daycare supervisors at housing units and when they do attempt to act, they are scrutinized, placed on administrative leave, and investigated for political gain. The tragedy of an invisible border is being realized across the United States. Massive amounts of drugs are moving across the patchwork of interstate highways and small rural roads to a town near you. American citizens continue to die from overdoses in this country at an alarming level each and every day. Statics now show that more people have died in the U.S. from fentanyl overdoses than from COVID in the past 20 months. Fentanyl is coming across our southern border and into the interior of the U.S. at alarming and unacceptable levels. Violent crime is increasing in major cities and examples of the atrocities carried out by illegal immigrants are beginning to surface in the media when the media exhibits the courage to report it.

After witnessing this disaster over the past several months and listening to the continued rhetoric and Intellectual dishonesty from Secretary Mayorkas, The Western States Sheriffs' Association, and its membership must emphatically state our position of having **NO** confidence in the ability of the Secretary Mayorkas, and his leadership within the Department of Homeland Security, to affect any positive outcome on this matter.

We call on President Biden to take the appropriate steps to remove Secretary Mayorkas from his leadership position and appoint a new leader at the Department of Homeland Security who recognizes, respects and will enforce the rule of law for the safety and security of our nation along with the southern and northern borders. We demand a new leader who will work, together with our nation's Sheriffs and the U.S. Border Patrol, to regain control of our nation's southern border.

A decision to make this change must come immediately. If there is a legitimate "matter of National Security" for this nation, at this time, this is certainly one. America's western Sheriffs, and specifically our southwest border Sheriffs, stand ready to work with our federal enforcement partners and the administration to restore security and safety on our nation's southern border.
