Reports: Walz Cavorts With Pro-Hamas, Islamic Antisemites. Video: Walz Endorsed Near-nude Twerking in Front of Kids.

Already beset by charges of stolen valor and abandoning National Guard troops under his command before deployment to Iraq and the resurrection of a drunk-driving charge, Minnesota Governor Tim Walz faces new allegations that further embarrass Vice President Kamala Harris' campaign for president.

The latest on the hard-left governor: Two reports say he's bosom buddies with virulent Muslim antisemites, including a character critics say is pro-Hitler.

But that's not all. Viral video of Minnesota's 2023 "pride" parade shows a sex pervert in his underwear twerking in front of small children. Walz endorsed the parade. More video depicts Walz's claim that fourth-graders should be allowed to use the bathroom of the opposite sex.

Or maybe the new revelations aren't so embarrassing for Harris and the Democrats. Maybe they don't care at all. They were undoubtedly familiar with Walz's radical leftism, and probably picked him because of it.

Imam, Pro-Hamas Friend

As for Walz's hate-Israel pals, one is a "Muslim cleric who celebrated Hamas's Oct. 7 attack last year on Israel and promoted a film popular among Neo-Nazis that glorifies Adolf Hitler, the [Washington Examiner](#) reported.

Walz hosted Asad Zaman, imam of the Muslim American Society of Minnesota, five times at the gubernatorial mansion, apparently unconcerned that Zaman is a pro-terror fanatic.

Zaman "joined other Muslim leaders in May 2023 for a meeting about mosque security with Walz's gubernatorial office in Minnesota," the website reported:

Zaman also spoke at a May 2020 event to call for peaceful protests with the governor during the riots in Minnesota sparked after George Floyd's death. In April 2019, the cleric delivered an invocation before Walz's state address — just months after Zaman called for an end to a government shutdown at a press conference with Walz in January 2019.

Zaman, moreover, attended a May 2019 event that Walz hosted for Ramadan, social media

posts show.

A Bangladeshi, Zaman said he “stands in solidarity with Palestinians against Israeli attacks” after the Hamas terror raid on October 7 that left 1,200 Israelis dead. He also shared a Facebook post from a character called “Yusuf Abdi Abdulle, director of the Islamic Association of North America, declaring that ‘Palestine has the right to defend itself,’” the [Examiner reported](#):

The Biden-Harris administration, Abdulle wrote in the post, was “on the wrong side of history” in “supporting the extremist Zionist regime and its illegal settlements.”

Zaman shared not only Hamas propaganda on Facebook, but also “blog posts on antisemitic websites slamming Jews, and, in one 2015 instance, a link to a piece on a website for a pro-Hitler film called *The Greatest Story Never Told*,” the website continued.

Walz and Harris are apparently not concerned that the hard-left, pro-Democrat Anti-Defamation League (ADL) has condemned Zaman. “Those who have met with Imam Zaman should clarify that they don’t agree with his toxic views about Jews and the Jewish state,” ADL said.

Muslim American Society & CAIR

Far from disassociating himself from such a toxic personage, Walz even subsidized his organization with tax money. The [Examiner](#) reviewed state records and found that Walz’s administration has pumped more than \$100,000 into Zaman’s pro-terror MAS, the Muslim American Society.

[MAS is a subsidiary](#) of the Muslim Brotherhood, members of which, in turn, [founded its](#) propaganda arm, the Council on American-Islamic Relations. Federal prosecutors named CAIR an unindicted co-conspirator in their case against the Holy Land Foundation of Relief and Development. In 2008, the foundation and its leaders [were convicted](#) of providing aid to Hamas.

Not surprisingly, Walz is tight as a tick with CAIR, too. As the [Washington Free Beacon reported](#) earlier this week, he “appeared at the ‘Challenging Islamophobia’ conference, hosted by CAIR’s Minnesota chapter on March 28, 2019, at Metropolitan State University in St. Paul”:

Walz gave introductory remarks at the event and announced the formation of a civil rights office to address Islamophobia in the state, which has the largest population of Somali Muslims in the country.

[Photos](#) of the conference show Walz posed with Hatem Bazian, an anti-Semitic scholar who has for years defended anti-Israel terrorist activity. Bazian is the founder of Students for Justice in Palestine, the group behind many of the pro-Hamas and anti-Semitic rallies across college campuses in the wake of the Oct. 7 attacks. The group’s George Washington University chapter projected the slogan “Glory to Our Martyrs” days after the attack. Bazian also founded Students for Justice in Palestine’s parent group American Muslims for Palestine, an influential anti-Israel organization [under investigation](#) in Virginia for allegedly financing terrorist activity.

Pervert Parade

Walz isn’t just friends with terror supporters. He’s crazy for homosexuals, and endorsed the 2023 “pride” parade in Minneapolis. Indeed, a photo of Walz at the event shows him beaming positively pink.

Among the doings at that gathering of sexual deviants was a fellow who twerked in front of kids. Shirtless. In his underwear. Libs of TikTok posted video of the repulsive event yesterday that has been viewed more than 2 million times. The 2023 performance [was a repeat of one](#) from 2022. Walz endorsed that one, too.

This year's parade, by the way, also featured the North Star Kennel Club, a sadomasochist bondage and discipline group, [Alpha News reported](#). Its contingent "featured men dressed in dog masks, collars, harnesses, and other BDSM gear."

Video posted by the Daily Wire shows Walz addressing another of his favorite subjects: "transgender" kids.

At a town hall in 2017, Walz told the audience that as a former teacher, one of his most important jobs would be ensuring that fourth-graders can use the bathroom of the opposite sex.

Walz is obsessed with promoting perversion, so much so that last year, he signed the so-called Trans Refuge bill that would "protect the rights" of "transgender" kids to get "gender-affirming care."

The law permits doctors to offer such "care" to kids from states that prohibit it.

"Gender-affirming care" is Lavender Lobby code for poisoning kids with hormones of the opposite sex, then mutilating them with "gender reassignment" surgery.

Military Scandal

The revelations about Walz's comradeship with radical, pro-terror Muslims comes after revelations that he [retired from](#) the National Guard in 2005, after a quarter-century of service, to avoid deployment to Iraq.

Reports also revealed that Walz did not retire as a command sergeant major.

[GOP Senator J.D. Vance accused](#) Walz of stolen valor because of the leftist governor's remarks about gun control.

"We can make sure those weapons of war, that I carried in war, are only carried in war," Walz said.

Walz never went to war.

As for driving under the influence, [Walz was arrested](#) in 1995 with a blood-alcohol content of 0.128. A Nebraska state trooper clocked him driving at 96 mph in a 55 mph zone. He pleaded guilty to reckless driving, and later claimed he wasn't drunk.
