

## **Video Editor Internship**

*The New American* is in search of a Video Editor intern to join the corporate media department. The ideal person will work with project leaders and provide input during the entire production process.

The majority of the responsibilities will include recording and editing weekly programs along with uploading and distributing video content. Working knowledge of NewTek TriCaster is a benefit as this is used for the majority of recordings. Proficiency working in Adobe Premiere Pro and Photoshop is also a necessity.

This person must have great organizational and communication skills, as they will be working both independently and as part of a team. The ideal candidate will have, or be working toward, a degree in video/media or related work experience.

### **Other responsibilities:**

- Produce weekly shows using a live video switcher - TricCaster
- Operate Canon C100 cameras
- Edit videos quickly using Adobe Premiere Pro
- Create enticing video thumbnails using Adobe Photoshop
- Provide accurate video titles and descriptions
- Coordinate and direct on-camera talent
- Log, transfer, and convert video
- Format content for social media and video platforms, website, and future app
- Ability to multitask and meet tight deadlines
- Ability to work in a team and independently

### **Experience/Knowledge:**

Adobe Creative Suite  
Premiere Pro CC  
Photoshop CC  
Media Encoder CC

### **REQUIREMENTS:**

1. A Resume
2. A Demo Reel or Link to Sample Videos
3. Some video editing experience
4. Must work at Headquarters in Appleton, WI
