President Biden's reelection campaign used the trial for a campaign event, with actor Robert De Niro and former U.S. Capitol Police officer Harry Dunn holding a press conference outside the trial. De Niro accused Trump of being a dictator, and alleged Trump would never leave office if reelected, stating:

If he gets in I can tell you right now, he will never leave. He will never leave. You know that. He will never leave. What does that mean? Is that the country we want to live in? Do we want him running this country, and saying I'm not leaving I'm dictator for life.
