

Written by [Walter E. Williams](#) on May 7, 2015

criminals have turned many black communities into economic wastelands where there is a lack of services that most Americans take for granted, such as supermarkets, other shops and even home delivery. Black residents must bear the expense of having to go out of their neighborhoods to shop or shop at high-cost mom and pop stores.

The protest chant that black lives matter appears to mean that black lives matter only if they are taken at the hands of white police officers.

Walter E. Williams is a professor of economics at George Mason University. To find out more about Walter E. Williams and read features by other Creators Syndicate writers and cartoonists, visit the Creators Syndicate Web page at www.creators.com.
