

Presidents' Day Trivia

Here's what happened. It's been many years since I had visited the Hall of Presidents, so during a recent visit to the Magic Kingdom I decided to take a break between the Haunted Mansion and Pirates of the Caribbean (two of my all-time favorites) and pay it a visit.

I'd forgotten about the display of historic mementoes in the exhibit area outside the theater. There was a wine glass from the James K. Polk Administration — sort of strange when you think of it, since Polk was an ardent teetotaler who refused to serve wine at White House dinners. There was a high-school essay by George Bush. And there was a golf club belonging to the President "who played more rounds of golf than any other while serving in office." Can you guess who it was?

If you, like me and my friend Chris, said Ike, you'd be wrong. According to the experts at Disney, the answer is Woodrow Wilson.

Chris isn't sure they got that one right. But he's absolutely certain he knows the answers to the following 25 questions. Let's see how you do on this Presidents' Day Quiz he prepared for us.

Thanks, Chris, for helping to educate us about our Presidents. And to everyone reading this, be sure to visit the Hall of Presidents next time you're at Disney World. This audio-animatronic presentation is almost as good as The American Adventure at Epcot. Morgan Freeman's narration is simply magnificent.

Until next time, keep some powder dry.
