In this dynamic episode of “2A for Today,” Dr. Joe Wolverton, II, is joined by Aidan Johnston, Director of Federal Affairs for Gun Owners of America, to break down the pro-gun successes of the November election. Aidan highlights the critical need for continued vigilance, particularly during the current lame duck session of Congress. The discussion also dives into federal reciprocal constitutional and concealed carry laws, the ongoing threat of federal red flag laws, and the urgent necessity of forcing the ATF to destroy its illegal registry of millions of gun owners. Don’t miss this essential conversation on securing the Second Amendment’s future and protecting our liberties.
