Quick Quotes

Senator Would Have Shot Down Chinese Balloon Immediately

Tom Cotton (AP Images)

"We should have shot this balloon down over the Aleutians instead of letting it float across Middle America on its merry way."

*Senator **Tom Cotton** (R-Ark.) expressed angry disappointment about the wait of several days before the Chinese probe was successfully destroyed over the Atlantic Ocean.*

House Foreign Affairs Republican Agrees With General's Prediction of War With China

"I hope he's wrong. But I think he's right though, unfortunately."

Air Force General Mike Minihan warned that he sees war between China and the United States breaking out in 2025. Congressman

***Michael McCaul** (R-Texas) pointed to the likely results of Taiwan's 2024 election, which is expected to show a continuation of support for independence from the Communist-led Chinese mainland. General Minihan expects that Beijing will launch a military invasion of Taiwan in 2025, and Congressman McCaul agrees.*

New House Oversight Chairman Intends to Investigate Biden Family's Dealings With America's Adversaries

"Look, more information comes out every day where his son, especially, as well as his two brothers, have had shady business dealings with our adversaries around the world."

*Intending to investigate much more than President Biden's improper handling of classified documents, Representative **James Comer** (R-Ky.), the leader of the House Oversight Committee, will be scrutinizing the questionable activities of Hunter Biden and other members of the Biden family.*

Republicans Push Legislation to Repeal Vaccine Mandates and Declare Covid Pandemic Over

"The White House is in full retreat on this issue because the president has lost the confidence of the American people on it."

Thomas Massie (AP Images)

*In a 227-203 vote, seven Democrats crossed party lines to support terminating the vaccine mandate for healthcare workers. Congress also voted 220-210 to officially terminate the public-health emergency. Representative **Thomas Massie** (R-Ky.) pointed to the loss of support the president is now receiving for such measures.*

Professor at Top University Raises Alarm About mRNA Vaccine Programs

"I'm filming this video to share my strong conviction that at this time all Covid mRNA vaccination programs should stop immediately. The evidence is conclusive and confirms our concern that these vaccines indeed cause sudden cardiac arrest as a sequel of vaccine-induced myocarditis."

*A faculty member at the highly rated Massachusetts Institute of Technology since 2006, Professor **Retsef Levi** has more than 30 years' experience as a practitioner and an academic in numerous fields. His and other colleagues' work in combating Covid has led them to label mRNA vaccines "the most failing medical product in the history of medical products, both in terms of efficacy and safety."*

Biden's Top Cabinet Official Willing to Risk War With Russia by Supplying Military Aid to Ukraine

Antony Blinken (AP Images)

“The United States is announcing a significant new security assistance package to help Ukraine continue to defend itself against Russia’s brutal war.”

*Announcing the 30th “drawdown of U.S. arms and equipment” for Ukraine since August 2021, Secretary of State **Antony Blinken** added \$2.5 billion to the cost of aid sent to Russia’s targeted foe. Many wonder if the military aid supplied to Ukraine could be considered a U.S. act of war against Russia and draw American forces into the struggle.*
