Female Athlete Canceled for Protesting Biological Males in Women's Sports

"The transgender mob doesn't want me to be emailing my story to you. They've targeted me. They've stalked my events and shouted me down. They won't be satisfied until all female opportunities are fundamentally destroyed by including biological males."

Riley Gaines *thought she could win her NCAA swimming event, but a transgender male using the name Lia Thomas outperformed her. Gaines claims to have "gone toe-to-toe with Megan Rapinoe, Brittney Griner, and Lia Thomas" in defense of America's daughters and granddaughters about the presence of biological males in women's athletic events, as well as the fact that all humans are either male or female from the moment they are conceived.*
