## Quick Quotes

Eva Vlaardingerbroek ([twitter.com/EvaVlaar](https://twitter.com/EvaVlaar))

“Let me walk you through the past seven days in Europe. This week in Stockholm, three elderly women in their 70s were stabbed in broad daylight on the streets. In London, four people were stabbed in a time span of just 42 hours. In Paris, hundreds of African migrants took to the street to riot, and in Brigolo, also in France, yet another church was burned down to the ground.”

*Dutch conservative commentator **Eva Vlaardingerbroek** appeared at CPAC Hungary to expose the “link between mass migration and crime.”*

“Title IX was written by Congress to support the advancement of women academically and athletically. The law was based on the fundamental premise that there are only two sexes — male and female. You have rewritten Title IX to force schools to treat boys as if they were girls and to accept every student’s self-declared gender identity. This ham-handed effort to impose a leftist belief onto Title IX exceeds your authority as President.”

*Texas Republican Governor **Greg Abbott** wrote to President Biden in April with news of his instructions*

*to his state education agency to ignore Biden's revised Title IX rules.*

"Shortly after that, I went over to be election integrity counsel for Donald Trump. Since that transition has happened, I've had the U.S. Marshals show up at my house, the FBI, the Department of Justice has interrogated me, and I've been investigated by bars. I've had several independent investigations, as well as been subpoenaed in — I want to say — four civil cases."

*Appearing on Steve Bannon's War Room podcast, former Trump attorney and current RNC senior counsel for election integrity **Christina Bobb** discussed April's Arizona grand jury indictment that claims she tried to overturn the 2020 election. If convicted of the nine felonies listed, she said, "I assume it would be the rest of my life in prison."*

"They can deal with their own corruption.... I am an American congresswoman, and I want to make sure that they are not taking our money and weapons. You don't know if they're going to go to Ukraine. I know from one of the packages before — a billion dollars went to Yemen — so Ukraine is becoming a slush fund."

*Ukrainian-born Representative **Victoria Spartz** (R-Ind.) spoke with PBD Podcast host Patrick Bet-David about President Biden's latest \$61 billion gift to her native country.*

"I say those who are mobilizing and lying to the community and really preying on the abilities of people, dividing communities, are the ones who are domestic terrorists."

**Lilian Seenoi-Barr**, a native of Kenya, was recently selected by the Social Democratic and Labor Party in Northern Ireland to be mayor of the city of Derry. Some party members say her selection was undemocratic, and one city councilor resigned over it. Meanwhile, she appeared on Highland Radio to defend her statements about native Irish who protest mass migration.
