## QuickQuotes

Joe Biden (GageSkidmore)

"I wouldn't have picked Vice President Trump to be vice president did I think she was not qualified to be president."

*Minutes into a news conference at this year's NATO summit in Washington, D.C., President **Joe Biden** mistakenly called Vice President Kamala Harris by the wrong name. Less than an hour earlier at an event celebrating the Ukraine Compact, he made a similar gaffe, introducing Ukrainian President Volodymyr Zelensky as "President Putin."*

"Kamala Harris got her start in politics by sleeping with Willie Brown. She became Vice President because Biden needed a non-white female on the ticket. Now she likely becomes the Democratic nominee for president because the guy at the top of the ticket has dementia. She's made a career out of begging for hand-outs from powerful men. A thoroughly unimpressive human being."

*Popular conservative commentator **Matt Walsh** posted this message on X after Joe Biden's July 21 announcement that he was dropping out of the 2024 presidential race and endorsing his vice president instead.*

J.D. Vance (GageSkidmore)

“Mr. Trump is unfit for our nation’s highest office.”

*Once a New York Times and CNN contributor who complimented House J6 Committee vice chair Liz Cheney (R-Wyo.) and condemned Trump followers as “MAGAts,” Senator **J.D. Vance** (R-Ohio) now blames media propaganda about Donald Trump for his own past negative comments aimed at the former president — among them, the above quote from an April 2016 interview with The New York Times. Two days after the July 13 attempt on his life in Pennsylvania, Trump named Vance as his running mate.*

“At no point did I say that I was donating \$45 million to Trump. That was a fiction made up by *The Wall Street Journal*.”

**Elon Musk** answered questions from an ABC reporter during a visit to the U.S. Capitol in Washington, D.C. The Wall Street Journal stands by its story, citing Bloomberg’s report that multibillionaire Musk has donated a “considerable amount” to the pro-Trump super political action committee known as America PAC.

Al Sharpton (Wikimedia/Lorie Shaull)

“She, in fact, has held three elective offices — two statewide — and they are supporting a guy who has never held elective office. And, in fact, his only connection to government is 34 felonies that he’s going to have to report to a federal or a local parole officer according on the sentence on the state charges and if he’s convicted in the others. Donald Trump has never been elected to anything.”

*Tapping into his inner “Joe Biden,” Reverend **Al Sharpton** ranted senselessly on MSNBC after Vice President Kamala Harris’ announcement that she will run for president in November. He was attempting to defend Harris against Republican charges that she is a “DEI hire.”*
