QuickQuotes

Rand Paul (AP Images)

GOP Senator Says No to Further Funding for Ukraine

“Borrowing money from China to send it to Ukraine makes no sense.”

*Congress has already shelled out \$113 billion to help Ukraine. But President Biden is asking Congress to provide another \$24 billion. Kentucky Republican Senator **Rand Paul** disagrees, and additionally notes that Ukraine has announced cancellation of its next presidential election, which is not a good sign for a nation that wants others to view it as a stable democracy.*

New Study Suggests Global Warming Could Be an Urban Phenomenon

“It is well-known that cities are warmer than the surrounding countryside. But many of the weather stations used for calculating global temperatures are located in urban areas.... In their latest report, the UN Intergovernmental Panel on Climate Change (IPCC) estimated that urban warming accounted for less than 10 percent of global warming. However, this new study suggests that urban warming might account for up to 40 percent of the warming since 1850.”

*Published by the scientific peer-reviewed journal Climate, this study reports the work of 37 researchers from 18 countries. The leader of the study, Dr. **Willie Soon** of the Center for Environmental Research and Earth Sciences, also said of the findings, “For many years, the general public has been assuming that the science on climate change is settled. This new study shows that this is not the case.”*

Mother Awarded \$100,000 After School Secretly Encouraged Daughter to Be Transgender

“We are now receiving justice from the school that tried to transition my daughter behind my back.”

*So stated Monterey County, California, mother **Jessica Konen**, whose 11-year-old daughter Alicia was seen smiling when the verdict was announced. The school principal and two teachers named in the suit*

Joan Vennochi (wikimedia/Rappaport Center)

*Presenting a totally opposite view, the nongovernmental **Center for Family and Human Rights (C-Fam)** urges spreading awareness about the UN's recommendations. It should but does not include a recommendation (long supported by The John Birch Society) to Get the U.S. out of the United Nations.*

No Fan of Trump, Columnist Does Not Want Trump Removed From the Ballot

"It's tempting to think the country can be done with Trump by making the case that he is constitutionally ineligible to run for president again, as some advocates, including some conservative law professors, argue. But for the country to be done with Trump, the voters have to be done with him."

*Boston Globe columnist **Joan Vennochi** doesn't favor any judicial barring of Trump in the race for president in 2024.*
