White House Alters President Biden’s Stance on Hunter’s Foreign Business Deals

“The President and the White House staff have always categorically maintained that he and his staff had no knowledge of any of the foreign dealings of his son. Now the President is only claiming that he was ‘not in any business with his son.’”

*Well-known liberal attorney **Jonathan Turley** stated that the information on Hunter Biden’s laptop contains the following statement Hunter delivered to Chinese Communist Party official Henry Zhao: “I’m sitting here with my father and we would like to understand why the commitment made has not been fulfilled.... Cornell University Professor Praises Central Bank Digital Currency

“If you think about the benefits of digital money, there are huge potential gains.
