Quick Quotes

Outspoken Black Conservative Lambastes “Black Lives Matter” Movement

“Black Lives Matter should be protesting at Planned Parenthood.”

*Retired U.S. Army Lieutenant Colonel **Allen West** is a conservative black American and a former Florida congressman. He points out that since 1973, more than 20 million unborn black babies have been murdered in the womb, and most of them have perished in Planned Parenthood facilities.*

There Is a Point When People Cease Trusting Government and Media Experts

“The point arrives when they say you’re a fool or monster who will get people killed for wanting to go to church or keep your business open, but you’re a hero when you join a protest they approve of.”

*Writing in *The Dispatch*, columnist **Jonah Goldberg** expressed the attitude of many Americans.*

LGBT Partisans Handed Huge Victory by Supreme Court

“An employer who fires an individual merely for being gay or transgender defies the law.”

*By a 6-3 vote, the Supreme Court ruled that the existing prohibition against firing based on sex must now be applied as well to those who are gay or transgender. The decision, written by Justice **Neil Gorsuch**, will likely affect restroom and locker-room usage, sports, religious objections to same-sex “marriages,” and even which pronoun must be used. The decision effectively altered the clear wording of the 1964 law that dealt only with the sex of individuals. It is clearly a case of the Supreme Court making law, something nowhere authorized in the U.S. Constitution.*

Poland’s Leader Considers LGBT Ideology Worse Than Communism

“LGBT is not people; it’s an ideology. It is even more destructive than Communism to the human being.”

*During his current campaign for reelection, Poland’s President **Andrzej Duda** left no doubt about his opposition to the LGBT agenda. The 48-year-old Polish leader knows about living under communism from his parents and his own teenage recollections. He finds the rise of homosexuality, same-sex “marriage,” and the acceptance of transgender claims even more harmful to Poland’s people.*

President and GOP Senators Succeed in Filling All Appellate Court Vacancies

“President Trump, Senate Majority Leader McConnell, and Judiciary Chairman Graham have delivered an historic victory with the confirmation of 200 judges in the president’s first term. All appellate-level vacancies are now filled.”

Marjorie Dannenfelser, president of the pro-life Susan B. Anthony List, rejoiced in knowing that many

more pro-life jurists can now be found in federal appeals courts as a result of President Trump's appointments and the ensuing Senate confirmations engineered by Senators Mitch McConnell and Lindsey Graham.

Virginia Senator Lambasted After Incredible False Accusation

"The United States didn't inherit slavery from anybody. We created it."

*Obviously a victim of poor education, Senator **Tim Kaine** (D-Va.) displayed his ignorance of thousands of years of slavery's history, trying to appeal to Black Lives Matter and other current protesters anxiously trashing the USA.*
