6 Illegal-alien Sex-crime Suspects Arrested in Massachusetts

Immigration and Customs Enforcement (ICE) agents recently swept on to the resort island of Nantucket to arrest four illegal-alien sex-crime suspects. They also arrested one suspect and one convict in Dorchester.

ICE arrested the six from September 10 through September 12.

And they aren't the only illegals who have terrorized residents across the sanctuary state.

Beachfront Sex-crime Wave Part 1 — September 10 Arrests

Agents from ICE's Enforcement and Removal Operations (ERO) bagged four illegals in Nantucket on September 10 and 11.

ERO picked up 28-year-old Salvadoran Bryan Daniel Aldana-Arevalo on September 10.

He jumped the border at a date and place unknown, [ICE reported](#), and Nantucket authorities arraigned him on July 26 for raping a child under 14 years old.

The [Nantucket Current reported](#):

The Nantucket Police Department was contacted by the New York City Police Department on July 11 after the 12-year-old victim and her mother had gone to the NYU Langone Hospital in Brooklyn to report the sexual assault. A social worker then contacted NYPD detectives. The incident allegedly occurred while the woman and her daughter were visiting family on Nantucket.

Despite the crime, the Salvadoran rape suspect was released on bail.

Another illegal arrested the same day, 49-year-old Elmer Sola, faces three child-rape charges and eight charges of indecent assault on a child, [ICE reported](#).

"It was the first time the agency had been on Nantucket making arrests since 2017, and before that in 2012," Nantucket's [Inquirer and Mirror reported](#).

Beachfront Sex-crime Wave Part 2 — September 11 Arrests

On September 11, [ERO arrested](#) 41-year-old Felix Alberto Perez-Gomez, an esteemed fellow from Guatemala.

Perez, yet another of the mulish illegals who won't stop entering the country, first jumped the border

more than a dozen years ago. Convicted for reckless driving and reckless endangerment in Pennsylvania in July 2011, he was deported that August.

He jumped the border again sometime later, and in August this year was arraigned for indecent assault and battery on a person 14 years or older, [ICE reported](#). ICE did not report whether local authorities ignored a detainer and released him before agents collared him.

Citing police, the island's [Inquirer and Mirror reported](#) that the Guatemalan illegal "sexually assaulted a woman in his car."

Gean Do Amaral Belafrente, a Brazilian, entered the country legally in 2018, but violated the terms of admission and voluntarily returned home, [ICE reported](#).

However, he jumped the border at an unknown place and date, then made his way to the island community. Cops arrested him in June 2021 for indecent assault and battery on a person 14 years or older.

Citing police, the [Nantucket Current reported](#):

Belafrente walked towards the alleged victim, grabbed her with two hands, brought her to the ground, pinned her hands down over her head while his body was on top of her and stated "I will rape you" as he licked her lips with his tongue while she kept her mouth closed.

He skipped his arraignment and disappeared until March 12 of this year, when cops arrested him on a default warrant, [ICE explained](#). The Nantucket District Court released Belafrente on bail the same day.

ERO agents arrested him on September 11.

The *Inquirer and Mirror* reported that a fifth arrest is coming soon.

Deviants in Dorchester

The other two illegals are Dominican Enrique Alberto Ortiz-Brito and Haitian Jefferson Jerome.

Though admitted to the nation legally in 2016, Ortiz-Brito quickly violated the terms of his admission, [ICE reported](#).

Boston cops arrested him for possessing child porn on August 31, 2017, and, despite a detainer from ICE, released him. A court convicted the sex fiend, but sentenced him to only one year behind bars and three years probation.

ERO agents arrested him on September 12.

Haitian Jerome crossed the border illegally in 2021 but was deported to Mexico, [ICE reported](#). He tried again on December 15, 2022. Caught and released with a notice to appear before an immigration judge, Jerome landed in court on September 11 to be arraigned for indecent assault and battery.

ERO agents arrested him the day after the Dorchester District Court released him.

Other Massachusetts Cases

President Joe Biden’s policies have hit the Bay State particularly hard.

Most notoriously, Haitian Biden “migrant” Cory Alvarez, flown directly into the country, [is accused](#) of raping a 15-year-old girl at a “migrant” shelter in Rockland.

ICE arrested him after a court released him on a \$500 bond with instructions to read his Bible.

Another Haitian, also flown in on BidenAir, [is charged](#) with molesting a 10-year-old boy in Mansfield.

In Milford, police allege, an unnamed Brazilian illegal, [caught and released at the border](#) pursuant to Biden’s long-standing orders, raped a child under 16. Despite a detainer from ICE, the Milford District Court released him on bail, forcing ICE to track him down.
