Deep State “Contact Tracing” to End Privacy | Behind the Deep State

In this episode of Behind the Deep State, host Alex Newman exposes the Deep State organizations and individuals working to shred privacy and invade your home with so-called “contact tracing.” From HR 6666 and phone apps for tracking you to microchips under the skin for children and home visits splitting up families, the agenda is totalitarian to the core. And yet, with very little resistance, this scheme is moving forward at the state and even global level under the World Health Organization. Clinton, Soros, Gates, and other globalist Deep Staters are involved. Humanity must resist to stay free.
