Deep State Insider Spills the Beans! | Behind the Deep State

In this episode of Behind the Deep State, host Alex Newman highlights the explosive revelations of Professor Carroll Quigley, a mentor to Bill Clinton. Among other things, Quigley exposed the fact that a secret network that operates much like the right believes communists operate has been playing an enormous but hidden role in world affairs. This “Roundtable Group,” which seeks a global feudal system that it controls, operates through front groups such as the Council on Foreign Relations and the Royal Institute on International Affairs. Alex discusses the Quigley books “Tragedy and Hope,” and “The Anglo-American Establishment.”
