Exploiting COVID, Social Media Silences Dissent | Behind the Deep State

Watch this video before the Deep State takes  it down!. In this episode of Behind the Deep State, host Alex Newman exposes the escalating efforts by Deep State social media companies (Youtube, Facebook, Google, Twitter, etc) to silence all dissent and everyone who exposes the establishment's lies. YouTube announced that everything going against World Health Organization propaganda would be removed. Facebook created a "Supreme Court" run largely by George Soros hacks and Muslims to determine what can be said on the platform. Now the UN and Bill Gates stooges in Event 201 are demanding global censorship. Fortunately, Americans are searching for the truth, and the Deep State's efforts to squash it are running into growing resistance as people and content migrate to new platforms.
