Another Day, Another Antifa Goon Arrested for Sex Crime

The Antifa terror outfit, which with Black Lives Matter set U.S. cities aflame in 2020, isn't just a collection of communist misfits [bent on violence and mayhem](#). It's also refuge for sex perverts.

The latest Antifa goon arrested for a sex crime is one Aubrey Ryan Quinn-Ward, an hirsute young fellow caught in a sex sting operated by Oregon's Washington County Sheriff's Office (WCSO).

But Quinn-Ward is just one Antifa malefactor nabbed by police for sex crimes. Sex criminals are quite attracted to the terror outfit, the most famous being Joseph "Jo Jo" Rosenbaum, the child rapist whom Kyle Rittenhouse [shot to death](#) two years ago during the [Blake Hoax](#) Riots in Kenosha, Wisconsin.

Stung, Then Arrested

The WCSO's sting was typical. Cops posed as kids online. Perverts took the bait.

Deputies "used a variety of social media platforms to pose as underage boys and girls," [the office reported](#) in a news release:

The people contacted the undercover investigators online and offered to meet a person they believed to be a child for sex. When the people arrived to meet the child, they were instead contacted by law enforcement and arrested.

The five were charged with luring a minor and online sexual corruption, both felonies.

One of them was Quinn-Ward, who's made quite a name for himself as an Antifa rioter who never seems to be convicted. He pleaded not guilty and was released the next day.

Writing for The Post-Millennial, Andy Ngo, whom Antifa goons [have violently attacked](#) and sent to the hospital, reported that cops have arrested the would-be child molester multiple times, only to have prosecutors drop cases against him.

"On July 17, 2020, the 50th straight night of rioting [in Portland], Quinn-Ward was among those

arrested after rioters blocked exits and tried to set a federal courthouse and the Justice Center on fire,” [Ngo wrote](#):

At the time, he was charged with felony rioting, escaping from police, resisting arrest, interfering with officers and disorderly conduct. His \$36,500 bail was waived and he was quickly released. His case was dropped altogether by the Multnomah County District Attorney’s office shortly later.

Breaking report: A Portland far-left militant who repeatedly had his felony [#Antifa](#) riot cases dropped has now been charged following a child sex sting targeting online pedophiles.

But Quinn-Ward wasn’t finished rioting, and prosecutors weren’t finished letting him skate away.

“Quinn-Ward returned to the nightly riots and he was arrested again at the 90th Antifa riot on Aug. 25, 2020,” Ngo continued:

At the direct action attack that drew around 300 violent extremists, Antifa set multiple fires at the Portland Police Association union hall, prompting police to declare a riot as the fires risked spreading to the adjacent residential homes. Quinn-Ward was recorded on video at the time trying to escape from police on foot while masked before being taken to the ground. He was charged with felony rioting and various other misdemeanors but was again quickly released without bail. The case was dropped by district attorney Mike Schmidt.

Quinn-Ward’s sister, a tranny who pretends she’s his brother, has also been arrested for rioting with Antifa, but prosecutors dropped those charges as well, [Ngo reported](#).

Other Perverts

Another lesser-known but equally slippery Portland pervert is Micah Rhodes, an anti-Trump leftist who was convicted of sexually abusing a boy and a girl. In 2018, a judge in Portland [refused to send](#) him to prison.

The [Antifa Watch Twitter feed](#) tracks sex criminals connected not only to Antifa, but also to BLM and other leftist groups.

The criminals it has uncovered were arrested and/or convicted of the following crimes:

- “Impregnated and gave a STD to a 13 year old victim”;
- “Arrested crossing the border with condoms, lube, children’s sleeping bags, stuffed animals, legos and a laptop with child porn on it”;
- “Arrested & charged w/ 6 counts of possessing child sex abuse images, falsifying physical evidence & more”; and,

- “Pleaded guilty to first degree sexual abuse of a physically helpless person and designated a sexually violent person.”

But perhaps the most famous BLM-Antifa pervert is a dead one.

That, again, would be Rosenbaum, who molested five little boys in 2002. The night he was killed during the Blake Hoax Riots in Kenosha, Rosenbaum chased down and attacked Rittenhouse and tried to seize the rifle Rittenhouse carried for protection.

Rittenhouse shot him dead.

Antifa's connection to sexual perverts is more secure than ever. Masked Antifa goons who carried rifles [recently protected](#) a drag queen event in Texas.

Today a group of armed [#Antifa](#) members came to Roanoke, TX to support a drag queen event. The local chapter of the John Brown Gun Club, an [#Antifa](#) militia linked to domestic terrorism, led the call to direct action.
