Border Agents Bag Nearly Three Dozen Sex Offenders in May

Border agents collared almost three dozen rapists and child molesters at the southwest border during May, reports from U.S. Customs and Border Protection show. The number nearly doubles that of April.

The deluge of illegal-alien deviants, almost all previously deported, included 10 caught between May 17 and May 24, a total that rose to 15 by May 27. Included in the haul were three men whom CBP called “U.S. citizens.”

The figures are almost unnewsworthy, and exactly what one would expect since President Joe Biden laid out the welcome mat for “migrants.” Agents have caught about 7,000 convicted criminals of all kinds since the beginning of the fiscal year on October 1.
