FBI Arrests Dearborn Muslims in ISIS Terror Plot

The FBI stopped an ISIS-linked terror plot set for Ferndale, Michigan, during the Halloween weekend, the [Justice Department announced today](#).

A federal criminal complaint filed in the Eastern District of Michigan accuses two residents of Dearborn — a seething, buzzing hive of hundreds of thousands of Muslims — of planning the attack with three co-conspirators.

Agents arrested two “U.S. citizens,” Mohmed Ali and another identified only as “Person 1” because he is a juvenile. On Friday, agents executed search warrants and turned up AR-15-style rifles and almost 2,000 rounds of ammunition.

The FBI stopped a massacre before it could happen.

Two Michigan men planned an ISIS-inspired Halloween terror attack near Detroit- stockpiling weapons, scouting targets, and training at gun ranges.

This FBI acted fast, followed the evidence, and likely saved countless lives.

The Criminal Complaint

A five-page summary synthesizes the 73-page complaint.

The [complaint alleges](#) that Ali and Person 1, who live in Dearborn,

were referenced in third-party conversations conducted in July, September, and October 2025 via an encrypted communication application in which other individuals stated that “brothers” to specifically include Person 1 and ALI are planning to conduct a terrorist attack in the United States on behalf of the designated foreign terrorist organization (“FTO”) ISIS.

Written by [R. Cort Kirkwood](#) on November 3, 2025

The complaint calls Majed Mahmoud a “co-conspirator,” and includes two more unnamed co-conspirators.

In August and September, Ali purchased a shotgun, an AR-15-style rifle, and “multiple firearm accessories, including a forced reset trigger that allows a shooter to increase the rate of fire in a semiautomatic weapon,” the complaint continues:

MAHMOUD also purchased an AR-15 style rifle in September 2025, as well as multiple firearms accessories. Then in October 2025, MAHMOUD purchased over 1,600 rounds of ammunition that could be used in the AR-15 style rifles he and ALI had purchased.

Throughout September and October, those three and co-conspirators 4 and 5 practiced shooting the firearms at a gun range “to develop their firearms skills in furtherance of an attack,” the [complaint alleges](#):

On September 25, 2025, ALI and Co-conspirator 4 practiced shooting at a gun range together, and ALI and Co-conspirator 4 each brought an AR-15 style rifle to the range. ALI and MAHMOUD separately practiced shooting together at a gun range on October 8, 2025. Then ALI, MAHMOUD, and Co-conspirator 4 practiced shooting together on October 16, 2025, and Person 1 practiced shooting at a different gun range on October 17, 2025. Most recently, on October 24, 2025, Person 1, ALI, and Co-conspirator 5 practiced shooting together at a gun range, arriving at the range with an AR-15 style rifle.

In October Ali, Mahmoud, and Person 1 allegedly met in parks multiple times in or around Dearborn. According to the complaint:

Person 1, ALI, and MAHMOUD traveled together to scout potential attack target locations in Ferndale, Michigan. Person 1, ALI, MAHMOUD, Co-conspirator 4, and Co-conspirator 5 also regularly communicated with each other and with other individuals who separately indicated that they have knowledge of the potential attack plans and related information.

The gang used encrypted communications and social media “to share extremist and ISIS-related materials that encourage attacks similar to what they planned,” the [complaint alleges](#).

Person 1 and Ali allegedly discussed conducting the attack on Halloween, which the exchange called “pumpkin,” and “sought guidance” from an “Islamic extremist.”

The [complaint continues](#):

On October 31, 2025, pursuant to federal search warrants, agents recovered, among other things, three AR-15 style rifles, two shotguns, four handguns, more than 1,600 rounds of ammunition compatible with the three AR-15 style rifles, optical sights, two GoPro cameras, a flash suppressor, tactical vests, and other related firearms parts and accessories at ALI’s and MAHMOUD’s residences.

And in a storage unit rented by ALI and visited by MAHMOUD, agents recovered two more chest rig vests, two black tactical backpacks, and 24 empty magazines compatible with the three seized AR-15 style rifles.

Extremist Dearborn

Reports on X claim the men are naturalized citizens from the Middle East, but the criminal complaint does not disclose that information.

Regardless, the arrest is no surprise. Muslims control the city. Its mayor is a Muslim, as is the police chief, who has bragged that 45 percent of the cops are Arabs.

Woman records the Muslim call to prayer being broadcast over loudspeakers in Dearborn, Michigan. Every resident is subjected to hearing it five times a day, from sunrise to sunset.

How is this even allowed in America?

to prayer over loudspeakers five times daily — came from its Muslim mayor, Abdullah Hammoud.

When a city resident complained about renaming a street after a Hamas and Hezbollah terror supporter, [Hammoud exploded](#) like a suicide vest.

"I feel like having that sign up there is almost like naming a street Hezbollah Street or Hamas Street. Hezbollah bombed the embassy in Beirut, including many Americans. I just feel it's quite inappropriate," Ted Barham said.

Replied Hammoud:

You are an Islamophobe. And although you live here, I want you to know as mayor you are not welcome here. The day you move out of the city will be the day I launch a parade celebrating the fact that you moved out of the city.

Hammoud [didn't bother](#) to apologize. He knew he didn't have to.
