## **FBI Snares Another Pedo Suspect at a Major Network; Missing ABC Producer Charged With Transporting Child Porn**

ABC producer James Gordon Meek vanished after the FBI raided his home in April, [scuttlebutt had it](#), because the bureau found classified documents on his laptop. He was working on a book about Kabul Joe Biden's disastrous withdrawal of U.S. forces from Afghanistan.

But that wasn't the case: Federal prosecutors in Virginia's Eastern District [have charged](#) him with transporting child porn.

If that's true, Meek, who resigned after the raid, would be the second high-level television producer caught exploiting kids since 2020. The first was CNN's John Griffin, former CNN talker [Chris "Fredo" Cuomo's](#) right-hand man.

How many pedophiles are ensconced in the leftist news media and using their platform to push pedo propaganda is unknown. But it's almost certainly more than two. Pedos are probably working and shaping news coverage at every major network.

### **Sickening Affidavit**

The supporting affidavit that details Meek's crimes says the problem began when, on March 11, 2021, file-hosting service Dropbox cybertipped the National Center for Missing and Exploited Children about child porn found in an account the day before.

"The CyberTip reported that a Dropbox account user had uploaded five videos to Dropbox that were later confirmed by law enforcement to contain child pornography," the [complaint alleges](#):

The username associated with the account was “James Meek,” and the CyberTip contained IP addresses that were subsequently determined to be assigned to MEEK, at an address in Arlington, VA.

The FBI raided Meek’s residence on April 27. A seized iPhone 8 contained three chats in which Meek’s username was “Pawny4.”

Pawny4 “was engaging in sexually explicit conversations where the participants expressed enthusiasm for the sexual abuse of children,” the complaint alleges. “In two of those conversations, Pawny4 received and distributed child pornography image and video files through Kik, an internet-based messaging platform.”

On February 26-27, 2020, “Pawny4 and USERNAME 2 exchanged child pornography and messaged on Kik about their mutual interest in the sexual exploitation of children.” The [complaint continues](#):

USERNAME 2 identified as a 25-year-old male, and when Pawny4 asked, “Love kids?”, USERNAME 2 responded, “Yesss” and “mmmm im glad I found someone likeminded”. Pawny 4 and USERNAME 2 exchanged pictures of their penises and continued their conversation.”

The conversations needn’t be reproduced.

Username 2 sent Pawny4 a video of a masturbating girl, after which Username 2 told Pawny4, “Id give anything to rape toddlers with you.”

Pawny 4 then sent Username 2 a video of a screaming infant being raped, and the two chatted about committing such crimes.

February 26 through February 28, Pawny4 and a 22-year-old man called Username 3 traded child porn and chatted on Kik about the same thing. “Pawny4 sent to USERNAME 3 the same video” of the infant being raped, the complaint alleges, along with four more child porn images.

Aside from another conversation in which Meek told a Username 1 about his fantasy that involved raping her when she was 12 years old, the phone contained 100 more child porn images.

The complaint links the phone to Meek.

“The telephone number connected to the SIM card in the iPhone 8 was the same number that law enforcement had previously determined was associated with MEEK’s Dropbox and Gmail account,” the [complaint alleges](#):

The device name was “Bone Machine”, and the sync host name was “Computer: crimson ghost\User: JAMES G. MEEK”. The Gmail address associated with the Dropbox account listed in the CyberTip was found on the iPhone8, associated to a Dropbox account and an iCloud account. The iPhone 8 contained a Skype account with the username “8:meekwire” and the account name “@meekwire”. Finally, the phone included health data for MEEK.

Travel records also tie the phone to Meek, who also used the Telegram social media platform to send child porn.

## **Chatting With Minors**

The complaint also alleges that Meek chatted with and groomed minors online through a Snapchat account with the username "hoolijax."

"Who do you love most in the world?" he asked a girl. She answered with the name of a famous person. "She's worthy of that big love," hoolijax replied. "You are a beautiful girl and she should feel blessed that you love her more than anyone."

"Eleven images of the minor are on an external hard drive," the [complaint alleges](#).

"Review of the electronic devices seized during the search warrant has also resulted in significant evidence that MEEK has engaged directly, and attempted to engage, with minors online on platforms and applications other than Snapchat," the complaint alleges:

Law enforcement located images of MEEK video chatting with self-identified minors on Omegle on the external hard drive. Omegle is a communication platform in which a user can be randomly matched with another user for an anonymous text communication, video communication, or both. It is possible for Omegle users to enter search terms that make it more likely to be matched with certain categories of people, including likely minors.

An Apple laptop found at Meek's home contained some 90 child porn images and videos, including those depicting the rape of toddlers.

An iPhone 6 found in his bedroom contained about 34 images and videos of suspected child porn.

If convicted, Meek faces five to 20 years in prison.

### **CNN Producer**

Meek, again, is not alone.

CNN's [Griffin pleaded](#) guilty to sexually assaulting a 9-year-old girl. He paid the mother, who flew the child from Nevada to meet Griffin at his home in Vermont, more than \$3,000 to have sex with the child.

Prosecutors charged Griffin with three crimes, but dropped two of them when he agreed to the guilty plea.

Griffin also wanted to rape the mother's 13-year-old. "It's your job, in concert with me, [to] see that [she] is trained properly," Griffin told the mother.

The indictment additionally alleges that Griffin confessed to the father of a 14-year-old that he "sexually trained" a 7-year-old, a crime for which he will apparently never pay.
