

Feds Charge Former N.H. State Rep Laughton for Sex Exploitation of Kids. Pedo Had Support of Democrat Big Shots O'Rourke and Swalwell

Federal agents have charged “transgender woman” Stacie-Marie Laughton, a former state representative in New Hampshire, with child sexual exploitation in connection with his arrest by local cops on kiddie-porn charges.

Laughton, a Democrat and the first “transgender” elected to public office in the United States, exchanged explicit photos and text messages in which he discussed raping children with another defendant in the case.

But the arrest of the pedo is more than just evidence that many “transgenders” are sex perverts. It’s more evidence that pedos and groomers have deeply penetrated the Democrat Party. Top Democrats, including a presidential candidate, campaigned for Laughton.

The Federal Case

[Nashua cops collared](#) Laughton on June 20, the federal criminal [complaint observes](#). He had told a witness that Lindsay Groves, his girlfriend, sent him child pornography. Cops also arrested Groves.

“Groves told NPD that she has worked as an early childhood teacher at Creative Minds located in Tyngsborough, Massachusetts for approximately six years,” and she and Laughton “had a sexualized text message conversation in May/June 2022 wherein Laughton asked Groves to capture nude images of children from Creative Minds.”

Groves complied and confessed that she took them.

Groves’s iPhone 13 and iPad contained more than 10,000 texts that included “explicit descriptions of sex with each other and others (including children).”

[Here are](#) just two exchanges on June 7 after Groves told Laughton she was “horny”:

Laughton: *I had always wanted to put my d**k inside one of the little girls you work with, but you said they were too little and then you said I could so I don't know I know you're horny I'm trying to get clean and I already have the hot water running baby.*

Groves: *I want to do it with the kids at work*

Groves: *than you can put your d**k inside them*

Laughton: *So you would let me f**k the little girls that you work with*

Laughton: *And you're not screenshot Ing this and possibly use it against me at all like we're both on the same page we both want to do this and he would let me put my d**k inside those little girls I mean what if my d**k is too big I mean its big but its not that big I think you could fit in there and if it doesn't fit all the way then I could stop I don't want to hurt them*

Groves: *If they want your d**k inside them*

Laughton: *Would you let the little girls s**k my d**k*

Groves: *It's their choice*

From at least May 10 through June 16, the [complaint concludes](#), Groves and Laughton “were involved in an intimate relationship in which they discussed their sexual attraction to and potential sexual involvement with children, as well as specific discussion about taking explicit photographs of minors in Groves’s care for Laughton.”

Man-Lady Laughton told Groves to “photograph herself holding the penis of a male child or putting her finger in a female.”

Again, Groves complied.

[The feds charged her](#) with sexual exploitation of children and distribution of child porn.

Laughton is charged with sexual exploitation of children and aiding and abetting.

On the sexual exploitation count, the two face 15 to 30 years in prison and five years to life of supervised release. [Distributing child porn carries](#) a mandatory five to 20 years and a minimum five years to life of supervised release. They can be fined up to \$250,000.

Two Laughton Backers

As for Laughton’s party confreres, Libs of TikTok revealed yesterday that two top Democrats appear to have been bosom pals with Laughton.

Beto O’Rourke, the [failed presidential candidate](#) for U.S. Senate and [one-time burglar](#), backed Laughton. So did leftist Eric Swalwell, the California congressman famous for ritual denunciations of President Donald Trump. He appears in photos with the two leftists in 2022.

O’Rourke and Swalwell, of course, will say they are completely surprised. That aside, consider the Biden administration’s [obsession with trannyies](#) who support the [genital mutilation of kids](#) and its hiring of “[non-binary](#)” [sadist Sam Brinton](#), [who backs](#) underage homosexual prostitution.

One must wonder how many pedos have reached the top tier of Democrat politicians and officials.
