Nashville Shooter Manifesto Released. “Trans Man” Hated Whites

We’ve known for some time that Nashville school shooter Audrey Hale, who went by the fake name Aiden, was a mentally ill “trans man” quite similar to the non-binary nutter [who shot up](#) a “gay” watering hole in Colorado last year.

But now we know that the mass murderess wasn’t just nuts, but viscerally hated the students at the Presbyterian Covenant School.

Commentator Steven Crowder released the loon’s manifesto that police had withheld since the [shooting on March 27](#). Some of the rant reads like it was written by a federal Diversity, Equity, and Inclusion (DEI) officer, or maybe a “consultant” who makes millions peddling critical race theory (CRT).

The Manifesto

In April, NBC reported that the “Motive in Nashville shooting remains unclear weeks after 6 people were killed at a Christian school,” as the [headline over](#) its story said.

Given that the shooter was a white “trans man,” perhaps some might have thought the motive was less important than her obvious mental illness.

Then again, the manifesto wasn’t unknown to the public.

With that spiral-bound school notebook in hand, we now know that Hale was not only mentally ill but also poisoned with the anti-white and anti-Christian bigotry that leftists have been promoting for years, not least in the DEI-CRT ideological brainwashing programs.

The “Death Day” manifesto opens with a page that explains Hale is “nervous” and “excited,” but ready to die, and that “I hope my victims are.”

“I hope I have a high death count,” she wrote. “Ready to die. Ha Ha.”

Then came the deranged, anti-white rant:

kill those kids!!!
those crackers
going to private fancy schools
with those fancy kwakis & sports backpacks
w/ thier daddies mustangs & convertables

fk you little sh**s**

I wish to shoot you weakass dks w/ your mop yellow hair**

wanna kill all you little crackers!!!

Bunch of little faggots

w/ your white privlages

fk you faggots**

There followed Hale's "Death Day" schedule. After breakfast and some preliminaries, at 10:20, Hale would "gear up + set up guns in trunk (assemble) and get out vest (w/ maps inside)."

She had planned to make a videotape at 11:20 a.m., leave for the school at 11:35, then attack at 12:30. But she attacked at 10:11 after sending an Instagram message to a friend, who called 911.

She was dead at 10:27 a.m., shot by Nashville cops after she murdered three 9-year-olds and three adults.

DEI to Blame

On X, conservatives blamed the anti-white, anti-Christian hate with which Hale was inoculated, much of which is found in DEI-CRT propaganda.

"This is what happens when racial division is sown into every aspect of public school curriculum," Sarah Fields of the Texas Freedom Coalition posted on X:

Racism is taught and Audrey's indoctrination ran deep. How heartbreaking for everyone involved.

"It's exactly what [I] would expect. A bunch of anti-white hate, vitriol, and fanatic psychotic ramblings about wanting to 'kill those kids!'" The Patriot Voice wrote. "When 'those kids' is mentioned, that means WHITE KIDS. Despite the fact that this lunatic was white..."

Wrote commentator Tom Moore:

The truth is tragically this killer was fully indoctrinated in every poisonous woke ideology parroted over past 15 years by Obama admin, Biden admin , Clinton DNC ,Hollywood, Corporate America, Universities, Schools and mainstream media !

Shame on all for their complicity!

The Propaganda

Hale's anti-white hate is boilerplate DEI-CRT material, which public schools and corporate America have been force-feeding to students and employees for years, most notably since the [George Floyd Hoax of 2020](#).

Companies such as [CVS](#), [AT&T](#), [Hasbro](#), and [Walmart](#), among others, have mounted a major campaign

to harass whites out of the workplace. [Public schools are teaching](#) white students [to hate themselves](#).

As [Christopher Rufo explained](#) at his Substack, the narrative is that “all whites are racist.” “White people do not exist outside the system of white supremacy,” as anti-white propagandist [Robin DiAngelo](#) put it in her anti-white book, *White Fragility*.

As well, “America is a fundamentally racist nation,” Rufo explained.

As DiAngelo wrote:

White people raised in Western society are conditioned into a white supremacist worldview because it is the bedrock of our society and its institutions.

Because “all whites are racist,” they share “collective guilt” for the sins of the past, real and imagined. And that guilt can only be expiated by the “abolition of whiteness,” not-so-subtle code for the mass extermination of whites.

Here is communist and mass-murder proponent [Noel Ignatiev](#):

We believe that so long as the white race exists, all movements against what is called “racism” will fail. Therefore, our aim is to abolish the white race.

How much of this venom Hale consumed is unknown, but the code words in her notes are clear: “privilege,” “private, fancy schools,” and “mop yellow hair.”
