Shooter at Dallas ICE Facility ID'd: Joshua Jahn Murdered Two, Then Shot Himself.

In the second attack on an Immigration and Customs Enforcement facility in Texas, a rooftop shooter murdered two illegal-alien detainees and wounded one when he fired at the facility in Dallas.

Joshua Jahn, 29, turned the rifle on himself after he botched what was likely meant to be the mass murder of ICE agents.

An anti-ICE message was on a bullet casing of one of the rounds found at the scene.

This morning, a deranged gunman attacked a U.S. Immigration and Customs Enforcement (ICE) Dallas field office from a nearby rooftop. The shooter fired indiscriminately at the ICE building, as well as at a van in the sallyport where the victims were shot.

Three detainees were shot. Two are deceased, and the other is in critical condition. The gunman was found with a self-inflicted gun wound.

We can confirm, the shell casings were found with anti-ICE messages on them. This was an attack on ICE law enforcement.

This horrific attack occurred amidst the 1000% increase in assaults against @ICEgov. Politicians and media pundits must stop the vile lies and smears designed to demonize and dehumanize ICE law enforcement. This shooting must serve as a wake-up call to the far-left that their rhetoric about ICE has consequences.

DHS is working with partner agencies on the ground. Please join us in praying for the victims and their families.

President Trump and @Sec.Noem stand with the men and women of ICE.

The Shooting

Citing the FBI and police sources, Fox4 in Dallas [reported](#) that Jahn fired from the top of a nearby building occupied by a law firm. The target was “an unmarked van with an ATF driver that was bringing detainees to the facility.”

Jahn attacked at about 6:30 a.m.

“The shooter fired indiscriminately at the ICE building, as well as at a van in the sallyport where the victims were shot,” the [Department of Homeland Security reported](#) on X:

FBI chief Kash Patel posted a photo of five bullets, one of which bore the inscription, “anti-ICE.”

This morning just before 7am local time, an individual fired multiple rounds at a Dallas, Texas ICE facility, killing one, wounding several others, before taking his own life. FBI, DHS, ATF are on the ground with Dallas PD and state authorities.

While the investigation is ongoing, an initial review of the evidence shows an ideological motive behind this attack (see photo below). One of the unspent shell casings recovered was engraved with the phrase "ANTI ICE." More updates will be forthcoming.

These despicable, politically motivated attacks against law enforcement are not a one-off. We are only miles from Prarieland, Texas where just two months ago an individual ambushed a separate ICE facility targeting their officers. It has to end and the FBI and our partners will lead these investigative efforts to see to it that those who target our law enforcement are pursued and brought to the fullest extent of justice.

Thankfully, no law enforcement personnel were injured. Please pray for the injured and deceased.

Myriad X accounts have posted screen shots of Jahn's now-deleted Facebook account, which features communist imagery.

Authorities confirm that Jahn acted alone and recovered ammunition engraved with "anti-ICE" messages.

Joshua Jahn's Facebook has been scrubbed, but his profile picture shows ANTIFA and communist imagery. The profile pic is of an armed communist with the hammer and sickle. It reads Glorious Exposition Comrade

Whether Jahn was channeling Tyler Robinson, suspect in the murder of conservative activist Charlie Kirk, is unclear. Robinson, [authorities allege](#), wrote leftist messages on the bullet casings collected after that crime.

"These despicable, politically motivated attacks against law enforcement are not a one-off. We are only miles from Prairieland, Texas, where just two months ago an individual ambushed a separate ICE facility targeting their officers," Patel wrote on X:

Deadly Rhetoric

"This horrific attack occurred amidst the 1000% increase in assaults against @ICEgov," DHS wrote on X. "Politicians and media pundits must stop the vile lies and smears designed to demonize and dehumanize ICE law enforcement."

Tops among those demonizing ICE, as the White House Rapid Response X feed observed, is far-left Democratic Representative John Larson of Connecticut.

In a deranged speech last month, Larson likened ICE to the Gestapo, the secret police in Nazi Germany.

[Ranting at](#) a hate-ICE rally like a psychopath who forgot his morning medication, Larson unloaded on the officers who are doing their jobs:

This is not Germany, That's the SS and the Gestapo. This is the United States of America.
Unmask yourselves.

Last month, Democrat [@RepJohnLarson](#) screamed about ICE agents being "the SS" and "the Gestapo."

While our ICE heroes work to free our communities from danger,
Democrats work to endanger our ICE heroes.

Far-left Democratic Governor J.B. Pritzker of Illinois has [said much the same thing](#).

Written by [R. Cort Kirkwood](#) on September 24, 2025

Years ago, then-Senator Kamala Harris of California [compared ICE](#) to the Ku Klux Klan. So Democrats have been vilifying ICE for years.

After today's shooting, Homeland Security Kristi Noem told Larson, Pritzker and their ilk to knock off the hate-ICE rhetoric.

"For months, we've been warning politicians and the media to tone down their rhetoric about ICE law enforcement before someone was killed," [she said](#):

This shooting must serve as a wake-up call to the far-left that their rhetoric about ICE has consequences. Comparing ICE Day-in and day-out to the Nazi Gestapo, the Secret Police, and slave patrols has consequences. The men and women of ICE are fathers and mothers, sons and daughters. They get up every morning to try and make our communities safer. Like everyone else, we just want to go home to our families at night. The violence and dehumanization of these men and women who are simply enforcing the law must stop.

Last month, the same Dallas field office might well have narrowly escaped a bombing. On August 25, [DHS alleges](#), Bratton Dean Wilkinson, 36, showed up at the facility with what he said was a bomb and a detonator on his wrist.

Prairieland Shooting

The murders at the Dallas facility follow the near-murder of a police officer at an ICE facility in Prairieland, about 40 miles southwest of today's shooting.

Involved in that attack [was a former U.S. Marine](#), which suggests that subversives and terrorists might have penetrated the U.S. military.

CAPTURED: Violent Extremist Involved in Prairieland Attack on ICE Agents

The manhunt for Benjamin Hanil Song—a fugitive wanted in connection with the July 4 ambush on federal officers at the Prairieland Detention Center—is OVER.

Song joined a violent group of at least 10 individuals in opening fire on officers at the federal facility just after 10:30 p.m. on Independence Day. He is charged with three counts of attempted murder of federal agents and three counts of discharging a firearm during a crime of violence.

He was arrested by [@FBIDallas](#) on Monday.

[@Sec_Noem](#) has made it clear: If you lay a hand on an ICE agent, you will NOT walk free.

The Prairieland raid [involved more](#) than a dozen leftists who attacked officers at the facility with fireworks, the [criminal complaint says](#).

Written by [R. Cort Kirkwood](#) on September 24, 2025

Ten minutes after that initial attack, “one or two individuals broke off from the main group and began to graffiti and damage vehicles and a guard structure in the parking lot at the facility,” the complaint alleges. The hateful graffiti included “Ice Pig” and “F*** You Pigs.”

An Alvarado, Texas, cop arrived after officers attempted to speak with the attackers. The would-be terrorists were hiding in the woods. One of them opened fire at DHS correctional officers and hit the cop in the neck, said the complaint.

“Police later found a Franklin Armory AR-15-style rifle” with a “bullet jammed in the chamber.” They then found another AR-15-style rifle in the woods near “spent 5.56 casings, along with two body armor plate carriers with loaded AR-15 magazines.” Police also found a pistol magazine.

In other words, the suspects were prepared with military-style weapons and other gear to attack the facility.
