Vice Contributor Sentenced for Distributing Child-rape Porn, Attempted Rape of Nine-year-old

A contributor to Vice.com has been sentenced to federal prison to seven-and-a-half years for possessing and distributing child-rape porn and attempting to arrange the rape of a nine-year-old boy.

Judge Paul A. Engelmayer of the federal Southern District of New York [also sentenced](#) sex fiend Efrem Zelony-Mindell to five years of supervised release.

Zelony-Mindell was a big-shot contributor to several leftist publications. And he's just one of the many sex criminals who worked in the leftist media.

The Crimes

Looking at photos of Zelony-Mindell, as well as the subjects [he writes about](#), suggest that the crimes he committed are hardly a surprise. He is, clearly, a pervert.

And calling what the flaming homosexual did shocking would be an understatement.

Zelony-Mindell was caught after he sent child-rape porn to an FBI agent October 2022. An agent also posed as the father of a fictitious nine-year-old boy whom Zelony-Mindell would be permitted to rape.

The images the [HuffPo contributor](#) sent to agents included boys ages 10, eight, and six being raped and sodomized, the [criminal complaint said](#).

Other images included the following:

[A]n image depicting an adult male with erect penis exposed pinning the legs of a boy over the boy's head with his pants pulled down to expose his anus and penis. The boy is approximately 13 years old....

[A] video depicting a child under the age of approximately 10 years old being raped by an adult male....

Not surprisingly, Zelony-Mindell was looking for a boy to rape and "stated that he was 'down' '100 percent' to meet the purported nine-year-old boy ... and and stated, in sum and substance, that he wanted to have sex with the child," the complaint continued.

Told that the child would be "knocked out a little bit" with sleeping medication, Zelony-Mindell replied, "yeah totally."

"I want to have sex with your son dude," Zelony-Mindell told the agent over Telegram. "It's honestly all I think about. You watching us together."

"You really want your kid to take my d**k?" the pervert asked. "Cause if we get together I'm absolutely going to f**k him."

The agent and Zelony-Mindell were supposed to meet on December 16, then take the nine-year-old boy to the agent's apartment, where Zelony-Mindell would rape him.

[FBI agents arrested](#) Zelony-Mindell that day. He waived his Miranda right, the [complaint said](#), and confessed his crimes. Strangely, [he pleaded](#) not guilty.

[The release](#) on Zelony-Mindell's sentencing from the U.S. Attorney's office uses the "non-binary queer's" preferred pronoun of "they."

Other Leftist Media Perverts

Again, Zelony-Mindell is only one of the many sex fiends who found work in the leftist media.

Among the more notable cases were James Gordon Meek, a top producer at ABC. Meek was arrested in February on charges of transporting child porn. Using the name Pawny4, [Meek told](#) another user on the social-media platform Kik that he wanted to rape a toddler. He also sent the user video of screaming toddler being raped.

On September 29, a [federal judge sentenced](#) him to six years in prison.

In December, CNN big shot [John Griffin pleaded guilty](#) to sexually assaulting a nine-year-old. He paid her mother \$3,000. [He was sentenced](#) to 19 years in prison and 15 years supervised release. Griffin was major domo and boon companion to former CNN talker and Chris Cuomo.

[CNN fired](#) Cuomo, [who threatened](#) to assault a man because the man called him "Fredo," after a woman lodged a sex-harassment allegation. [Cuomo also threatened](#) to work over a cyclist who called out Cuomo for violating big brother and the Governor Andrew's China virus quarantine.

A week after [Griffin was arrested](#), another CNN big wig, Rick Saleeby, [quit his job](#) after then-Project Veritas chieftain James O'Keefe broadcast his interview with a sex-trafficking case worker, Jane Bonanni.

She told O'Keefe that Saleeby spoke at length about sex with his fiancé's daughter, wanted to see "me and the step-daughter together," and asked for photos of Bonanni and her daughter.

[CNN has yet](#) to publish a story about Saleeby, whom Fairfax County, Virginia, police [were investigating](#) as of late last year.

Saleeby was a producer on *The Lead With Jake Tapper*.
