Black Lives Matter is a Marxist Group Backed by Billionaires | Behind the Deep State

In this episode of Behind The Deep State, host Alex Newman exposes the truth about Black Lives Matter: It is a Marxist group working to dismantle liberty, Christianity, family, society, private property, civilization, and the U.S. Constitution. It is also based on complete lies and fabrications. Do not let the name fool you. Indeed, the founders of BLM boast that they are Marxists. And when you boil down Marxism to its essence, it is Satanism, a complete repudiation of everything that God has called good. Their own website brags about their evil agenda to destroy the nuclear family and have the “village” take over child rearing while promoting LGBTQ+ extremism.
