Boy Scouts Officially Drop “Boy” From Their Name

Once a bastion of traditional values, the Boy Scouts of America announced Tuesday that it will be changing its name to “Scouting America” to emphasize its commitment to inclusion. The name change will officially take effect in February of 2025.

The organization announced the name change as the organization celebrates the fifth anniversary of the decision to allow females scouts, and a decade after announcing that it would allow homosexuals to join.

Previously, in 2018, the group [changed](#) its name from Boy Scouts of America to Scouts BSA.

For many years, the organization has been under fire from left-wing activists who didn’t approve of the “God and country” values espoused by the group. The name change represents the group’s latest capitulation to far-left values and move away from its original ideals.

“Though our name will be new, our mission remains unchanged: we are committed to teaching young people to be Prepared. For Life,” said Roger Krone, the president of Scouting America. “This will be a simple but very important evolution as we seek to ensure that everyone feels welcome in Scouting.”

“Scouting America provides a welcoming, safe environment where youth can become the best version of themselves by learning from and respecting each other,” Krone stressed. “I encourage everyone to join us and experience the benefits of Scouting.”

When questioned by reporters about the name change, Krone explained, “Part of my job is to reduce all the barriers I possibly can for people to accept us as an organization and to join.”

The announcement to change names comes in the wake of the organization’s bankruptcy settlement, which will pay victims of sexual abuse in the group \$2.46 billion. That settlement involves 82,000 men who claim they were abused by scout leaders over the years. Those settlements range from \$3,500 to \$2.7 million.

In 1972, the group boasted nearly 5 million members — all boys. Currently, it serves only a million members.

Went to bed last night and woke up this morning and learned that "The Boy Scouts Of America" had a name change to Scouting America ??? The " Woke Mind Virus" is infecting this country and " We The People" must be the medication to stop it.

than 130 million Americans have been through our programs since our founding, and currently more than 1 million youth are served by 477,000 dedicated adult volunteers in local councils throughout the country,” the group’s website declares.

Angelique Minett, the first female chairperson of the group, believes the changes will be good for the group going forward.

“When we think scouts we think knots and camping, but those are a means to an end,” Minett said. “We are actually teaching kids a much bigger thing. We are teaching them how to have grit, and we’re teaching them life skills and we’re teaching them how to be good leaders.”

Thus far, the Girl Scouts remain the Girl Scouts but they appear to be affected with the same “woke” energy as their non-gender specific counterpart.

As X user Libs of TikTok points out: “If you don’t subscribe to the LGBTQ+ agenda, you’re not welcome at @girlscouts. Time to boycott @girlscouts and @boyscouts! They have both gone completely woke! Boys and girls both deserve their own spaces. Boy Scouts and Girl Scouts disagree and would rather cater to a far-left agenda.”

As further proof of the Girl Scouts’ commitment to all things woke, Libs of Tik Tok posted the Girl Scouts’ Camp Culture Code, which states that the organization is “committed to actively building a sense of inclusion for all of our community members. We ask all staff, volunteers, parents, caregivers, and youth commit to working towards LGBTQIA+ allyship, anti-racism and anti-oppression.”

“Youth commit to working towards LGBTQIA+ allyship, anti-racism, and anti-oppression. If you are someone who is not open to participating in anti-racism and LGBTQIA + Allyship work, our camp programs are not a good fit for you and your child.” – Girl Scouts

The Scouts have strayed far from their original oath, “On my honor I will do my best to do my duty to God and my country and to obey the Scout Law; to help other people at all times; to keep myself physically strong, mentally awake, and morally straight.” It’s an unfortunate loss in the culture war as a group once committed to God and country now appears committed in the opposite direction.
