Archbishop Viganò Details “Deep Church” Involvement in the “Great Reset”

With President Trump’s path to a second term seemingly growing narrower thanks to collusion between Deep State agents in government and the mainstream media, the political establishment feels confident that it will soon be able to fully implement [The Great Reset](#), which would totally erode our freedoms and transform society as we know it.

Archbishop Carlo Maria Viganò of the Catholic Church, who has frequently [spoken out](#) against Pope Francis, the Deep State, and the “Deep Church,” discussed the key actors involved in the Great Reset in written responses to a group of questions submitted by Steve Bannon.

As noted in [the interview](#), Bannon asked Viganò about the relationship between China and the Catholic Church under Jorge Mario Bergoglio (Pope Francis), to which the archbishop explained that the “dictatorship of the Chinese Communist Party is allied to the global deep state” and that “the plans for the *Great Reset* are an opportunity to increase the economic power of China in the world.”

Said Viganò:

The complicity of Bergoglio’s deep church in this infernal project has deprived Chinese Catholics of the indefectible defense that the Papacy had always been for them. Up until the papacy of Benedict XVI, the papacy had not made any agreements with the Beijing dictatorship, and the Roman Pontiff retained the exclusive right to appoint bishops and govern dioceses. I recall that even at the time of the Bill Clinton administration during the 1990’s, former Cardinal McCarrick was the point of contact between the deep church and the American deep state, carrying out political missions in China on behalf of the US administration. And the suspicions that the resignation of Benedict XVI involved China are quite strong and coherent with the picture that has been emerging in recent months.

He further said that China seeks the “cancellation of religions” and their replacement with “a religion of the State which definitely has many elements in common with the universal religion desired by globalist ideology, whose spiritual leader is Bergoglio.”

Viganò went on to criticize Biden for his “numerous ties to China, the *deep state*, and the advocates of globalist ideology,” as well as his “intention to condemn us all to wear masks.”

He proclaimed that to put an end to the “Deep Church” and restore the Catholic Church, “the extent of the involvement of the leaders of the Church with the Masonic-globalist project will have to be

revealed” and any proof of crimes by these actors in possession of the Secret Service must be revealed.

Ultimately, it is a battle of good versus evil; Viganò asserted that globalism “is instrumental to the establishment of the kingdom of the Antichrist, since it shares its principles, means, and ends.”

The archbishop also touched on the subject of Pope Benedict’s resignation and the connection to the Clintons:

The events that led to the resignation of Benedict XVI still need to be clarified, but one of the members of the deep church, the deceased Cardinal Danneels, a Jesuit like Bergoglio, admitted that he was a part of the so-called Saint Gallen Mafia, which essentially worked to bring about the “springtime of the Church” which John Podesta, Hillary Clinton’s chief of staff, wrote about in his emails published by Wikileaks.

He also pushed back against those who dismiss such discussions as “conspiracy theory”:

Labeling those who denounce the existence of a conspiracy as “conspiracy theorists” confirms, if anything, that this conspiracy exists, and that its authors are very upset at having been found out and reported to public opinion....

Years ago, those who spoke of the New World Order were called conspiracy theorists. Today, all of the world’s leaders, including Bergoglio, speak with impunity about the New World Order, describing it exactly in the terms that were identified by the so-called conspiracy theorists. It is enough to read the globalists’ declarations to understand that the conspiracy exists and that they pride themselves on being its architects, to the point of admitting the need for a pandemic in order to reach their objectives of social engineering.

Viganò summed up the situation by describing, in very stark terms, what’s at stake in this fight:

Families without father and mother, polyamory, sodomy, children who can change their sex, the cancellation of Religion and the imposition of an infernal cult, abortion and euthanasia, the abolition of private property, a health dictatorship, a perpetual pandemic. Is this the world that we want, that you want for yourselves, your children, and your family and friends?
