N.Y. AG, Elected Officials Form First Government-sanctioned Child Grooming Gang; James to Host Drag Story Hour

When New York State Attorney General Letitia James and 11 Democratic elected officials join a drag queen story hour three days from now, the message will be clear. Organized child groomers will have a major power-base inside not only the state Legislature, but also the state's top law enforcement office.

The purpose of the show: To seduce children into believing they can be any "gender" they want, a step along the way toward grooming them for sexual abuse.

The state's top law enforcement official and a communist in everything but name, James, indeed, is the hostess. She's working with a professional groomers outfit, Drag Story Hour NYC, which openly brags about grooming kids.

The rise of the drag queen story hour is a key component of the "transgender" movement, a collection of mentally ill sex deviants who think they are members of the opposite sex and lobby for the chemical castration and genital mutilation of children.

Until recently the trannies kept to themselves. Now out in the open, they're coming for the kids.

James and Her Fellow Groomers

James, the elected officials, and, of course, the drag queens, will groom the kids for four hours on March 19, from 11 a.m. to 3 p.m.

Aside from the Empire State's Groomer-in-Chief, the following elected officials enlisted as assistant groomers:

- Assemblywoman [Deborah Glick](#)
- Assemblywoman [Jessica Gonzales-Rojas](#)
- Assemblyman [Daniel O'Donnell](#)
- Assemblyman [Tony Simone](#)

On Instagram, James delivered this pro-groomer message:

My office is proud to host a Drag Story Hour read-a-thon. We're inviting families to join us at the @lgbtcenternyc with @dragstoryhour, drag storytellers, community leaders, and elected officials.

Understandably, the invitation to officially sanction grooming didn't go over so well.

"The 'family-friendly' event will take place at the 'Lesbian, Gay, Bisexual & Transgender Community Center,'" Ashley St. Clair tweeted. "Your tax dollars are hard at work grooming kids!"

"New York attorney general Letitia James (D.) announced she is hosting a drag queen story hour 'read-a-thon' for children 'up to age 12,' an event that allows minors to explore 'gender fluidity,'" *Relentless* podcaster Kyle Becker wrote. "The Democratic Party is disgusting."

"Your attorney general has taken the lead in the proverbial race to the bottom." Crime In NYC tweeted.

Some attacked James, suggesting she's a drag queen, and even some homosexuals opposed the event

"Doing a deep dive into Drag Queen Story Hour in NYC," homosexual Republican activist Matt Antar said.

"It's worse than I thought. I thought it was just the drag in front of kids. No. It is radical gender ideology indoctrination too. They are asking kids for their pronouns and telling them they can be a boy, a girl or neither."

Drag Story Hour NYC

The outfit hosting the event is open about its grooming.

"[Drag Story Hour NYC](#) (formerly Drag Queen Story Hour NYC) produces storytelling and creative arts programs for children and teens, presented by local drag artists, in libraries, schools, and other community spaces in all five boroughs of New York City, and virtually," the [groomer website says](#):

Through fun and fabulous educational experiences, our programs celebrate gender diversity and all forms of difference to build empathy and give kids the confidence to express themselves however they feel comfortable.

DSH NYC is a proud member of the Drag Queen Story Hour global network.

Such is the appetite for grooming little kids that the perverts offer their programs in myriad languages.

"In our original 45-minute Drag Story Hour (DSH) program designed for children ages 3-8, local drag performers trained by children's librarians read picture books that touch on themes of diversity and

difference, sing songs, and do craft activities,” the [website continues](#):

In learning about drag as a form of dress-up and play, children learn to see beyond the pink and blue gender binary and celebrate difference in themselves and others.

Over the years, we’ve expanded our programs to include bilingual DSH programs in Spanish, Cantonese, and French; DSH for neurodiverse kids; DSH middle grade and YA book clubs; drag makeup tutorials; storytelling workshops for seniors; and more! Pushing Tranny Propaganda

James, of course, isn’t the only Democrat pushing the groomer agenda. It’s now a key plank of the Democratic Party, and an obsession inside the White House, which is pushing it everywhere in government, including the military.

Drag queens [have performed](#) at a Democratic Party event and [even at](#) U.S. military bases. As well, [Biden appointed](#) a cross-dressing man, who wants to castrate kids and give them penectomies and mastectomies, to be the No. 2 health official in the country. Biden also hired a bald, “non-binary,” cross-dressing sadist to run the nation’s nuclear waste program. He [was caught](#) stealing luggage. Biden [opened the military](#) to men in lipstick and high heels. Biden’s State Department [is pushing](#) tranny propaganda [across the globe](#).

The tranny movement’s first public champion was homosexual [Magnus Hirschfeld](#), who ran thither and yon in Weimar Berlin dressed like a woman. He was called [Auntie Magnesia](#), and his sex institute became an oasis for mentally ill sex deviants, whom he mutilated with “sex change” operations.

Now, they’re grooming kids in public, and elected officials are helping.
