Senate Cinderfellas Stage Porn Video in Hearing Room, Staffer Fired. Staffer: “I Want Joe Biden to Spit in My Mouth.”

It was only a matter of time before it happened. With Organized Buggery in control of the White House and much of public policy, you knew it wouldn't be long before two perverts shed their clothes for a canoodle in the U.S. Capitol.

The latest from the elected officials who run our country: A young man who worked for Senator Ben Cardin, a leftist from Maryland, was taped having sex with another man in a hearing room.

Cardin's office fired Aidan Maese-Czeropski without comment, but news reports identified the would-be “gay” porn star.

The lad apparently has a thing for President Joe Biden, too.

The Video

The trouble began for Maese-Czeropski, who certainly looks to have consumed too many soy lattes, when the *American Spectator* published a report about the lad.

“The so-called hallowed Halls of Congress play host to a plethora of indecent acts every day — but one staffer for Senator Ben Cardin is taking it to new levels,” the [mono-monikered Cockburn reported](#):

The public Twitter account of the audacious young “twink” is comprised almost solely of him in flagrante delicto with his older “bear” partner. The images and videos are explicit — and conspicuously and deliberately contain the staffer's face.

A twink, for those unfamiliar with Modern Sodom's argot, is a young homosexual.

Anyway, the images also show a “strapping young gentleman ... naked but for a jock strap, on all fours, facing away from the camera.”

Nice.

The [Daily Caller posted](#) the repulsive video.

[The New York Post contributed](#) the staffer's name and offered details about the young pooker's past.

“Aidan Maese-Czeropski is no longer employed by the U.S. Senate. We will have no further comment on this personnel matter,” a Cardin spokeswoman told *The Post*:

Maese-Czeropski, a 24-year-old legislative aide, was accused of posting a video of himself in

flagrante delicto with another man on a public X account. His face appeared to be clearly visible, according to The Spectator, which first broke the story Friday.

The roughly eight seconds of intercourse allegedly took place in the same room where nominees to the Supreme Court are grilled by senators and where former FBI boss James Comey once testified about alleged Russian interference in the 2016 presidential election.

Like so many of his kind, Maese-Czeropski [was good pals](#) with Joe Biden.

“Maese-Czeropski previously was featured in an ad for President Biden — earning a shoutout from his mother’s now deleted X account,” the newspaper continued. Indeed, Maese-Czeropski entertained some fantasies about POTUS: “The same year, he apparently wrote on the payment platform Venmo, ‘I want Joe Biden to spit in my mouth.’”

A [good sniff](#) or nibble [from Traitor Joe](#), apparently, wouldn’t be enough to satisfy the Senate Cinderfella. For his part, Maeze-Czeropski, who must have turned lavender with fury, vowed revenge.

“This has been a difficult time for me,” he wrote on LinkedIn, “as I’ve been attacked for who I love to pursue a political agenda”:

While some of my actions in the past have shown poor judgment, I love my job and would never disrespect my workplace. Any attempts to characterize my actions otherwise are fabricated and I will be exploring what legal options are available to me in these matters.

Reaction

On X, the reaction was predictable. Hilarity and ridicule ensued.

Georgia GOP Representative Mike Collins summed up the episode this way:

Heck of a week for the Left. Gay porn in the Senate, swearing in ceremony on child porn in Virginia, tranny tap dancers in the White House, and Satanic statues in Iowa.

What else am I missing?

Though the commissars at X said Collins’ post violated its rules, they “determined that it may be in the public’s interest for the Post to remain accessible.”

One X user wanted the two homosexuals to “clean the chamber (every inch, pardon the pun) with a tooth brush and Clorox, twice for good measure.”

“We just want to be left alone in the bedroom,” McHeartattack3 wrote.

“We had a sitting President perform a polar tonsillectomy on an intern in the Oval Office,” another wrote:

Are we really surprised that this fella and another fella desecrated the Senate?

Another Day, Another Embarrassment

The video and fallout are just the latest embarrassment for Biden and the Democrats because they insist on pushing homosexuals into positions of authority. Then again, maybe they aren't embarrassed.

Last week, First Lady Jill Biden posted video of a deranged update of the *Nutcracker* that featured an [anti-white tap dance troupe](#) at the White House.

In late November, another top Democrat, Patrick Wojahn, [was sentenced](#) to prison on child sex-abuse charges for possessing images of child rape.

Wojahn's "mentor" is homosexual Transportation Secretary Pete Buttigieg, who is "married" to a child groomer.

Before that, Americans were treated to the tale of one Sam Brinton, a bald, "non-binary" sadist involved in something called pup play. Biden picked Brinton to help run the nation's nuclear waste disposal operation, but alas, but then was forced to fire him after he was caught [stealing luggage](#) from airports.

When a homosexual porn video recorded in the White House will surface is anyone's guess.
