Demonic Spirits Behind Black Lives Matter | Behind the Deep State

In this episode of Behind the Deep State, host Alex Newman explores the spiritual nature of Black Lives Matter, showing that BLM founders and leaders openly admit they are conjuring spirits and supposed dead ancestors that are “working” through them. As Alex explains, the Bible condemns this as witchcraft, sorcery, necromancy, communication with demons, and more, all of which the Bible calls detestable. The dark spiritual nature of BLM should have been obvious from the fruit of the movement: riots, destruction, death, burning, looting, hate, division, and even murder. Now, these same BLM activists are training teachers to summon “ancestor spirits” into the classrooms with school children. Obviously, this is a spiritual war. It is time for churches to take their rightful place at the front lines of the battle.
