

CFR Seeks to Sovietize U.S. Education | Behind the Deep State

In this episode of Behind the Deep State, host Alex Newman continues exposing the Council on Foreign Relations' radical plan to restructure America using state and local government — with this segment focusing on the education component of the scheme. In this CFR program, known as “The Work Ahead,” globalist Deep State operatives seek to finalize the Sovietization of America’s K-12 and college education. This would be a key component of central planning the economy and society. Alex interviewed several experts, lawmakers and CFR Task Force members to expose this agenda including Patricia Matthis of Southern Methodist University, former Senior Adviser on education Charlotte Iserbyt under Reagan, CFR member Chike Aguh, CFR leader Ted Alden, Senator Regina Bayer, and more. Please share with your state and local officials. Expose this agenda before the CFR ropes them in.
