## Elementary Teacher Asks Students to Call Her Gender Neutral “Mix”

From [FreedomProject Media](#):

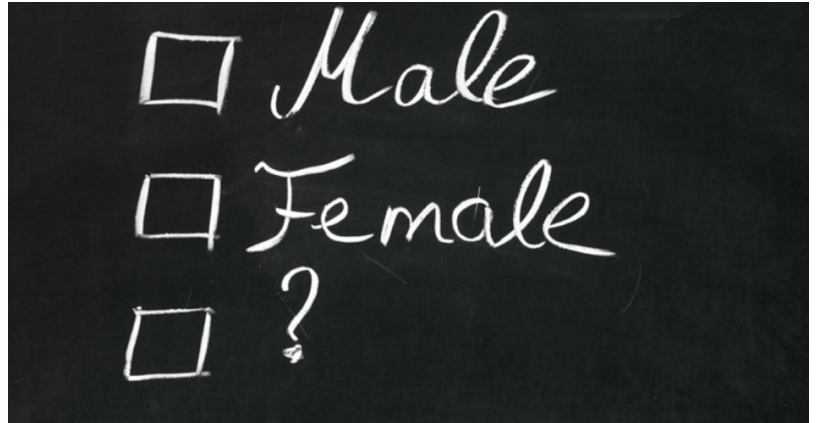

A disturbed and apparently confused 5th grade teacher in Florida sparked a parental outcry and a national scandal after demanding that the young children she indoctrinates refer to her by the supposedly gender-neutral term “Mix” instead of the traditional Miss or Ms. Victims included children as young as 9-years old.

After the demands became a national scandal and a major embarrassment for the school, officials apologized and backed down slightly. However, the fact that a government-school teacher thought it was a good idea in the first place reveals a great deal about the dangers of surrendering one’s children to government for supposed “education.”

In a letter sent home with 5th graders at Canopy Oaks Elementary near Florida’s capital in the Tallahassee area, Math and science teacher Chloe Bressack said “I use gender neutral terms.” She also asked that she be referred to by the children as “Mx.” Bressack, “pronounced Mix.”

She also asked not to be referred to as her or she, saying “my pronouns are ‘they, them, their’ instead of ‘he, his, she, hers.’” “I know it takes some practice for it to feel natural, but students catch on pretty quickly,” the letter promising “fun activities” from “Mx. Bressack” continues.
