Schools Busted Promoting Islam

From [FreedomProject Media](#):

Government schools in Michigan are under fire after an [investigation by the Thomas More Law Center](#), a non-profit legal group, exposed a massive taxpayer-funded propaganda program glorifying Islam and denigrating Christianity. Teachers were targeted in the controversial scheme, with the expectation that they would pass the lies on to their students.

The investigation began after TMLC discovered that teachers were being forced to take a two-day “training seminar” on Islam. The program, run by a Muslim “consultant” and self-proclaimed “social justice” advocate, bombarded hundreds of public-school teachers with anti-American and anti-Christian extremism masquerading as “culturally responsive teaching.”

Among other concerns, the training program was “riddled with falsehoods and errors of omission that were clearly meant to deceive,” the Law Center explained. For instance, there was no truthful information provided to teachers on either jihad (holy war) or Sharia (Islamic) law, which are two of the cornerstones of Islam.

Teachers were told that while the Bible had been changed, the Koran had come straight from Allah to Muhammad. “Her message was clear: The Koran is superior to the Bible,” the Thomas More Law Center explained in a statement about its findings, adding that the Muslim “consultant” was paid \$2,500 per day to indoctrinate teachers.

The “consultant,” Huda Essa, also dismissed concerns about terrorism, saying it had nothing to do with Islam. Perhaps not surprisingly, the program also taught Michigan teachers that white Christian males were more dangerous to the public than Islamic extremists whose holy book commands them to wage never-ending war against infidels. Essa accused America of “genocide,” too, while ignoring Islam’s 1400 year history of exterminating non-Muslims across the Middle East and North Africa, TMLC said.

“We found that the teachers were subjected to two days of Islamic propaganda, where Islam was glorified, Christianity disparaged, and America bashed,” said Richard Thompson, president and chief counsel of the Law Center, after the investigation was completed. “This type of infiltration amounts to an Islamic Trojan horse within our public-school systems. No other religion gets this kind of special treatment in our schools.”
