Teacher Assigns Obscene “Poem” Praising Sodomy

From [FreedomProject Academy](#):

A school in Colorado is under fire after ordering students to read and contemplate a bizarre poem featuring sexting with minors, anal rape, and a god of child sacrifice, prompting outrage by students, parents, and taxpayers. Promoting obscenity to minors is a felony in Colorado.

Now, a girl traumatized after being forced to read the filthy perversion masquerading as “poetry” in front of her class is seeking justice. “I was completely shocked and taken aback by the content,” said Skylar Cason in [an interview with Fox News](#). “I was extremely uncomfortable. I wish I would have gotten some kind of warning.”

“What sphinx of cement and aluminum bashed open their skulls and ate up their brains and imagination?” continues the so-called poem before singing praises to the child-sacrifice-demanding, biblical demon-god known as Moloch. “Children screaming under the stairways! Boys sobbing in armies!... C-cksucker in Moloch!... Moloch who entered my soul early! Moloch in whom I am a consciousness without a body!”

As part of the “lesson,” students were reportedly required to fill in the blanks in sentences from the “poem” such as “f—ed in the a-” and “c—t,” among other outrageous passages taken from the document. Students were also asked about the supposed “symbolism” behind terms such as “granite c—k,” media outlets reported.

Parents were horrified. “We were completely shocked by the material when we read it,” said Brett Cason, Skylar’s father, adding that there was no notice or opt-out forms provided to parents. “We were blown away. We were thinking, ‘is this really true that we’re reading this and that this is being taught at school?’” His daughter did not even know many of the words in the poem, he added.
