“We’re Coming for Your Children,” Declare “Queer” Pride Marchers in NYC

Self-proclaimed proud homosexuals, gender-confused individuals, and “queers” marched down the streets of New York City chanting loudly that they were “coming for your children.” The spectacle sparked international condemnation while confirming what anti-grooming activists have been warning about for years, all amid escalating sexualization and indoctrination of children by LGBTQ extremists.

The scandalous chant at the massive event came as naked homosexual men across America and Canada exposed their genitalia to children on the street during so-called “Pride” parades. It also occurred less than two years after the San Francisco Homosexual Men’s Choir drew national outrage with a song promising to “convert” and “corrupt” your children.

In the new chant captured on video, the New York Pride Parade marchers can be seen and heard boasting of their targeting of your children. “We’re here. We’re queer. We’re coming for your children,” chanted the scantily clad activists flying rainbow flags, some of them half naked, as they laughed and danced. Tens of millions have seen the video on Twitter.

The incident prompted swift condemnation across the United States, even making headlines overseas. More than a few homosexual activists quoted in media reports even condemned the rhetoric about targeting other people’s children, claiming it would fuel “hate” toward LGBTism. Some argued it was merely a “joke” to anger conservatives.

Lawmakers used the opportunity to push for laws protecting young people. “This movement grooms minors to have mastectomies and castration and fuels a multi billion dollar medical child abuse industry,” fumed U.S. Representative Marjorie Taylor Greene (R-Ga.) in response to the scandal. “Pass the Protect Children’s Innocence Act. Let kids be kids.” The bill would ban castration and hysterectomies of children.

According to news reports, political leaders including Sen. Majority Leader Chuck Schumer, New York Governor Kathy Hochul, and New York City Mayor Eric Adams all participated in the annual pride parade. This is the 53rd event of its kind in New York commemorating the violent uprising against police by homosexual activists at the Stonewall Inn.

It’s not the first time the truth emerges, though. In 2021, the San Francisco “Gay” Men’s Choir sang the quiet part out loud with a song about converting children to homosexuality. “You think that we’ll

corrupt your kids if our agenda goes unchecked,” sings one of the homosexuals. “Funny, just this once, you’re correct. We’ll convert your children. Happens bit by bit. Quietly and subtly, and you will barely notice it.”

The targeting of children has gotten so extreme that even homosexual activists are distancing themselves. Writing in the Daily Caller, Fox News contributor and homosexual activist Deroy Murdock called on homosexuals to “divorce” the “alphabet people.” “Normal gay people should flee the Alphabet People before we get fatally trampled,” he said, pointing to the “coming for your children” horror and other scandals.

As Murdock explained, polls show Americans are rapidly souring on the LGBTQ movement, partly in response to the grooming of children. Among Republicans, 56 percent thought “gay and lesbian relations” were morally acceptable last year. This year, just 41 percent do. Even middle-school children in left-wing states such as Massachusetts are rising up against the radical LGBT indoctrination.

When sex fiends and perverts chant that they are coming for your children, you should take them very seriously. Parents and society have an obligation to protect innocent children from this vile grooming and perversion — attacks that are now everywhere, from big box stores and government schools to the streets of major cities across America. Enough is enough.
