Celebrity Global-warming Hypocrisy

In June of this 2014, Bloomberg released a new report, "Risky Business: The Economic Risk of Climate Change." Bloomberg is just one of many of the celebrity and wealthy who live the lavish lifestyle who tell the rest of the world to lower their standard of living while their carbon footprint dwarf third-world nations.

The image shows a video player interface with a blue background. At the top, the title "Celebrity Global-warming Hypocrisy" and "UN's Intergovernmental Panel on Climate Change" is displayed. Below the title is a small portrait of Dr. Indur Goklany. To the right of the portrait, a text box contains the following information: "Rising global food prices attributable just to 'green' bio production may have led to at least 192,000 excess deaths and 6.7 million disability-adjusted life years (DALYs) in 2010 alone." A play button icon is visible over the text. At the bottom of the video player, the "New American" logo is repeated across the width of the player.
