

TNA EXCLUSIVE: Alex Newman Reports from Paris UN Climate Summit (Video)

President Obama, Secretary of State Kerry, Governor Jerry Brown, former Governor Schwarzenegger, and more — *The New American* is on-site in Paris, reporting on their statements and actions at the UN's COP21 conference.

Foreign correspondent Alex Newman (shown) has been writing on global warming/climate change issues for *TNA* for years and is a veteran of the [UN's 2009 Climate Summit in Copenhagen](#) and the [2012 Rio+20 Earth Summit](#) in Rio de Janeiro.

In this video, Alex reports from the UN press center at the Paris conference, giving an on-the-ground update on what is truly happening, unfiltered by the pro-warmist political correctness that dominates the so-called journalism of the “mainstream” media.
