

## Dr. Graves Slams Dr. Fauci & Attack on Liberty Amid COVID19

In this exclusive interview with The New American, Dr. Karladine Graves, a high-profile medical doctor who has been providing information and advice to the White House on coronavirus and other issues, slams the willingness of Americans to trade their liberty for supposed safety. She also slammed Dr. Anthony Fauci, questioning whether he has a conflict of interest. In particular, Dr. Graves believes the government should get out of the way and let doctors deal with their patients. She also supports the use of hydroxychloroquine, despite the Democrats and others trying to stop its use.
