Colin Gunn on Universal Healthcare (Video)

Colin Gunn, director of *IndoctriNation*, offers his viewpoints on universal healthcare. He explains how the problems with America's healthcare system are the result of government intervention into the healthcare market, with the government picking winners and losers in a "crony capitalist" system. More government intervention, he says, will only make things worse. Gunn touches on his upcoming film, focusing on the Affordable Healthcare Act, and what problems will arise because of it.
