Our federal government has compiled a stunning amount of pharmacovigilance data <https://openvaers.com/> revealing frightening rates of adverse events and death following the jab. But behind each of those individual numbers is a person - and a family - adversely impacted. The most tragic of these stories involve children whose lives were cut short.

A new documentary about this issue is about to be released. Produced by We The Patriots USA, it's called Shot Dead, and it will premiere in November. Faithful Freedom

<https://www.iheart.com/podcast/1010-faithful-freedom-with-ter-90044603/> podcast host Teryn Gregson

<https://teryngregson.com/> produced the film and recently sat down with *The New American* senior editor Rebecca Terrell to discuss her role and the importance of the documentary's message.
