The “secret purpose of the legal system” is “to hasten our death through the medical-industrial complex.” Scott Schara made this statement on May 21, 2025, during a compelling presentation titled “What is the Secret Purpose of the Legal System?” He delivered it at a meeting co-sponsored by a local John Birch Society chapter and the Fox Valley Initiative at FreedomProject Academy in Appleton, Wisconsin, just weeks before the landmark medical freedom trial concerning the tragic death of his daughter, Grace Schara, at Ascension St. Elizabeth Hospital in October, 2021. He called it a “deprogramming session.” In his thought-provoking and well-researched talk, Scott unveiled the hidden dynamics of the legal system, exposed the dangers of the medical-industrial complex, and advocated for informed consent and patient rights. His wife, Cindy (Grace’s mom) made a rare appearance during this presentation to read “My Future,” a heartfelt paper written by Grace one year before her passing, capturing her dreams and vibrant spirit.
