Biden, Mayorkas Release Illegal-alien Criminals, Secretly Dump “Migrants” In Blue New York

Learning that President Biden and [Cuban visa fraudster](#) Alejandro Mayorkas, the Homeland Security secretary, [wouldn't deport](#) illegal alien sex fiends, killers, and other criminals was bad enough.

And Mayorkas [again promised](#) not to enforce immigration law last week.

But now we learn that the Biden Regime is actually *importing* criminals. And dumping them into American towns and cities.

So the regime will not only pursue The Great Replacement of the American people, but also move it along with dangerous thugs.

NEW: An ICE source tells me the agency has been releasing some illegal immigrants with misdemeanor criminal histories, including assault, DUI, drug possession, & illegal re-entry. ICE did not deny when I asked, telling me all releases are on a “case by case” basis.

Dope Fiends, Drunk Drivers Welcome

And the imported “criminals” aren’t just shoplifters and petty thieves who needed a hand up, or a loaf of bread and a bottle of water to make it through the day. They are hardened, dangerous criminals who will, in the end, rob, rape, and murder Americans.

“An [Immigration and Customs Enforcement] source tells me the agency has been releasing some illegal immigrants with misdemeanor criminal histories, including assault, DUI, drug possession, & illegal re-entry,” Melugin tweeted with video. “ICE did not deny [it] when I asked, telling me all releases are on a ‘case by case’ basis.”

So “case-by-case,” Biden and Mayorkas want your town’s new residents to include drunk drivers, dope fiends, and violent thugs.

The video shows at least 50 single adult illegals simply dropped at a parking lot in Brownsville, Texas. The men had ankle monitors and they covered their faces. And yet another of the ubiquitous leftists who toil for non-governmental agencies led them.

“The source said the reporting only scratches the surface and that the mass releases have been happening discretely since February, that ICE fugitive operations teams are essentially nonexistent and that ICE Enforcement and Removal Operation (ERO) has become what the source called an ‘unofficial travel coordination agency,’” [Melugin reported](#):

“Between [releases] and the vaccine mandate the morale is at the lowest,” the source said. “Imagine going to the office to make phone calls all day to coordinate travel for someone who just came in illegally, some of them with criminal records.”...

The ICE source told Fox that the agency is now releasing migrants with misdemeanor crimes such as assault, DUI, drug possession and illegal re-entry, and only withholding those with serious felonies.

I asked the ICE source if US taxpayers are footing bill for migrant travel?

“We make contact with the family members and ask them for an address and to please buy a ticket (bus or plane). If they don’t, then the NGO buys the ticket and bills the government.” [@FoxNews](#)

Better yet, taxpayers get the bill, [Melugin continued](#).

“We make contact with the family members and ask them for an address and to please buy a ticket (bus or plane),” the ICE source told him. “If they don’t, then the NGO buys the ticket and bills the government.”

Flights to New York

[Fox also revealed](#) that Biden and Mayorkas are dumping illegals in Westchester, New York.

Leaked video shows migrants being transported on secret charter flights under the cover of night from southern border states to Westchester, New York.

“‘The government is betraying the American people,’ a federal contractor told a Westchester County police officer in a conversation recorded on the officer’s body camera on the tarmac of a Westchester airport on Aug. 13, 2021,” Fox reported.

Westchester County Executive Rob Astorino obtained the footage through a records request, although reports about the flights were published in the *New York Post* in October.

“Our government is completely out of control right now. They have lied to us. They’ve lied to the American people,” Astorino told Fox Talker Tucker Carlson. Astorino, a Republican, is running for governor of the failed and corrupt state:

Astorino said he personally saw the migrants being put on a bus to a Costco, where they were “then released into cars into the community.”

The video is clear: The Biden Regime is waging demographic war on Americans. And Westchester cops knew nothing about the dumping.

“You’re on a secure facility here; we really don’t know anything and we’re in charge of security,” Westchester Police Sergeant Michael Hamborsky told one of the contractors:

“This is anti all our security stuff,” Hamborsky said....

"I'm just trying to figure out what's what, who's who and how I'm supposed to keep this secure," Hamborsky told the contractors....

"We're not allowed to have our picture taken when we get on base," one contractor told the officer as they began showing him lanyards around their necks.

"Un-f-king-believable," Hamborsky responded. "And who's that by? DHS [Department of Homeland Security]?"

"Yes, and the United States Army," the contractor responded. "You're on a federal installation but DHS wants everything on the down low."

Another contractor told Hamborsky: "Listen, my thing is I like to comply but technically we're not supposed to show IDs or anything. Like I said, everything is supposed to be hush hush."

The contractors also confessed why the government wants the subversion flights kept secret. "Look who's in office. That's why, come on," the contractor told Hamborsky:

"But what's the big secret?" the cop asked.

"You know why. Because if this gets out, the government is betraying the American people," the contractor said.

Biden and Mayorkas, again, have proudly said they will not enforce immigration law.

The numbers show that the administration simply loosed 55,626 illegals upon the heartland, a significant number of which will never be heard from again. That means the administration dumped 37.1 percent of the illegals onto American taxpayers.
