DHS: Illegal With 67 Arrests Bagged in Sacramento; Illegal-alien Sex Criminals Arrested

During a raid at a Home Depot in Sacramento, California, yesterday, Immigration and Customs Enforcement agents collared an illegal alien with 67 criminal arrests.

Agents also captured 10 other dangerous illegals, the Department of Homeland Security (DHS) announced. And they arrested a hate-ICE crackpot who thought slashing the tires on agency vehicles would strike a blow for freedom.

Elsewhere, agents arrested five illegal-alien sex fiends, an illegal-alien smuggler, and an escapee from the Delaney Hall illegal-alien detention facility in Newark, New Jersey.

Home Depot Home No More

Amusingly, [NBC affiliate KCRA reported](#), someone called the cops when the ICE agents showed up to arrest the illegals.

"The Sacramento County Sheriff's Office said it originally got an incomplete call at 7:47 a.m. about armed, masked men in the Home Depot parking lot at 4641 Florin Road," the station reported.

"Deputies who responded were waved down by a woman who said her husband had been taken."

Among the illegals arrested was upstanding cultural enricher Javier Dimas-Alcantara, "a serial criminal with convictions and charges spanning decades, including the following," [DHS reported](#):

- Multiple instances of transport and sale of a narcotic or controlled substance
- Felony burglary
- Illegal entry
- Carrying a loaded firearm in public
- Multiple instances of providing false identification to a law enforcement officer

- Multiple instances of felony possession of marijuana for sale
- Revocation of probation due to re-offense of possession of marijuana for sale
- Being under the influence of a controlled substance
- Multiple instances of possession of a narcotic or controlled substance
- Possession of a controlled narcotic with intent to sell.

Dimas-Alcantra has not only been “booked into jail 67 times,” said DHS spokesman Tricia McLaughlin, but also been convicted of myriad crimes. “And yet, politicians like Gavin Newsom defend criminals who terrorize American communities and demonize law enforcement who defend those same communities,” she continued.

McLaughlin reminded illegals that they can self deport using the CBP Home app, collecting \$1,000 and a free plane ticket home in the bargain.

Tire Slashed, Man Maced

The operation didn’t go off without a hitch. A bearded fellow slashed a tire on an ICE vehicle, which forced agents to leave the scene driving on the tire’s rim. The hirsute activist attempted to flee, but ICE agents, video shows, tackled and pepper-sprayed him.

After the macing, his face took on the color of a steamed lobster. Other video shows the man’s wife screaming and breathing curses at the agents, calling them “traitors.”

The guy is tackled on the ground with mace in his eyes.

Anti-ICE activists think they can attack ICE with no consequences.

KCRA identified the woman as Andrea Castillo and her husband, the tire-slash suspect, as Jose Castillo. Jose needed a hose B to wash the pepper spray out of his eyes.

“Federal agents ended up macing that man in his face, took him into custody, and took him away,” Fox News’ Bill Melugin reported, noting that the man “lunged” at agents:

His wife was yelling at agents the whole time, saying he is a U.S. citizen. Agents said, “Too bad, he slashed one of our tires.”

Citing the hate-ICE NorCal Resist, which KCRA called an “immigrant advocacy group,” the [station reported](#) that Castillo was released.

Other Arrests

Also yesterday, in a “worse of the worst” news release, DHS detailed the criminal careers of several illegal aliens.

Agents deported illegal-alien child rapist Pedro Trejo Reyes of Mexico. He “entered the United States as a lawful permanent resident in 1990,” [DHS reported](#):

While in the United States he was convicted of a DWI in 1995 and convicted again in Texas for repeatedly sexually assaulting his 12-year-old niece resulting in her pregnancy and subsequent miscarriage in 2011. Forensic DNA testing confirmed with over 99.9% certainty that Trejo Reyes fathered the unborn child. A U.S. immigration judge approved Trejo Reyes’ order for removal in 2011, and ICE removed him to Mexico on July 17, 2025, after his 16 years of confinement.

Other “migrants” include these future astronauts:

- Honduran Edwin Jacobo Hernandez Mateo raped a teen under 14 years old. She also wound up pregnant. ICE arrested him yesterday.
- Mexican illegal Juan Gabriel Zamorano-Gutierrez, who was convicted of molesting a child in Ontario, California.
- Mexican Edmundo Vasquez-Gaxiola was “convicted of aggravated indecent assault after being accused of repeatedly sexually assaulting a young girl over the course of several years in York Springs, Pa.,” [DHS reported](#). “According to a Pennsylvania State Police affidavit, the victim disclosed the abuse began when she was around 5 years old and continued until she was about 11.”
- Haitian Kelvin Civil induced a minor for sex and assaulted a police officer in Taunton, Massachusetts.
- Honduran Elmer Breve-Sanchez is an illegal-alien smuggler.

Detainees Captured

Arrested yesterday in Los Angeles, Colombian illegal Andres Pineda-Mogollon was the last of four illegals who escaped Delaney Hall on June 12. That is where Garden State Representative LaMonica McIver rumbled with ICE agents, [which led](#) to three charges of felony assault.

Pineda-Mogollon “overstayed a tourist visa and entered the U.S. in 2023 under the Biden administration,” [DHS reported](#):

On April 25, 2025, the New York City Police Department arrested Pineda-Mogollon for petit larceny. On May 21, 2025, the Union, New Jersey Police Department arrested Pineda-Mogollon for residential burglary, conspiracy residential burglary, and possession of burglary tools.

The other captured illegals:

On June 13, Colombian Joan Sebastian Castaneda-Lozada, a burglar, “attempted to turn himself in to local authorities at the New Jersey State Police Bridgeton Station,” [DHS explained](#). They refused to accept the surrender because of “they do not work with ICE.” He turned himself in to ICE and the FBI in Milleville.

Also on June 13, ICE, the FBI, and Passaic, New Jersey, cops arrested Honduran Joel Enrique Sandoval-Lopez. “During the arrest, Sandoval-Lopez kicked and threatened to kill the law enforcement officers,” DHS reported. His crimes include aggravated assault and illegally possessing a handgun.

Honduran Franklin Norberto Bautista-Reyes jumped the border in 2021. Wayne Township, New Jersey, cops collared him for assault and other crimes on May 3. DHS did not date the arrest.
