Biden's Nuke Waste Chief Defended Underage Prostitution Website Raided By Feds

Sam Brinton, a sex deviant who runs the Energy Department's nuclear waste bureau, defended underage homosexual prostitution in an op-ed piece published in the *The Advocate*, a newspaper for homosexuals in Washington, D.C.

Brinton, [who participates](#) in something called pup play, denounced a federal raid on the offices of a website that sex-trafficked young men. He trains other men to be good dogs and has a "husband," and he is also a deputy assistant secretary of energy.

FBI Raid And Indictment

The latest on Brinton [comes from](#) the *National Pulse*, which unearthed the op-ed that he wrote to defend Rentboy.com.

Website CEO Jeffrey Hurant [pleaded guilty](#) to promoting prostitution in 2016, after [federal agents raided](#) the illegal prostitution service in 2015.

"While RENTBOY.COM had disclaimers that the advertisements on the site are for companionship only and not for sexual services, RENTBOY.COM was designed primarily for the advertisement of sexual services, and the advertisements on RENTBOY.COM plainly advertised sexual services," the indictment alleged.

The federal indictment strongly suggested the outfit promoted underage prostitution because it did not verify the age of "escorts" it connected with "customers."

"RENTBOY.COM did not verify the ages of all escorts advertising on the site," the federal indictment alleged:

RENTBOY.COM had a policy that required that escorts provide identification if an escort appeared to be under 21. This policy was not strictly applied. Instead, RENTBOY.COM employees generally required identification only from escorts who appeared to be under 18.

As late as 2014, RENTBOY.COM employees called age verification a "gray area." RENTBOY.COM employees did not always remove advertisements when the advertisers failed to provide identification. In one case, after an escort agency failed to provide photo identification for an escort, a RENTBOY.COM employee advised the escort agency that he had deleted photographs with the face of the subject escort, but left the advertisement online and left photographs that showed only the escort's body. In another case, after a different escort agency refused to provide identification for several escorts who appeared underage, the same RENTBOY.COM employee "suggested to [him] to crop the faces of those

super young escorts.”

RENTBOY.COM employees did not report these escorts or the escort agencies to law enforcement or to any organization dedicated to helping exploited children

The underage escorts in Asia who advertised on the site were so numerous that website employees complained to the CEO.

“ASIA MARKET IS OUT OF CONTROL,” was the subject of an email to Hurant. “So many ads/acct’s are coming through above market,” it said. “They are free but the real issue is that all the boys look ‘very young’ !!!”

Brinton Promoted Underage Prostitution

That didn’t matter to the man who became Biden’s head Pup Master.

“The federal government’s recent attack on Rentboy.com is a devastating assault on some of the most vulnerable members of our community — young adults who, for the first time in their lives, were able to earn a secure living safely through Rentboy after surviving family rejection and homelessness because of their sexual orientation or gender identity,” [Brinton’s op-ed began](#).

Admitting the prostitutes were “youths,” Brinton wrote that selling themselves to adult perverts was only a “lifeline out of homelessness, despair, and the dangers of living on the street.”

Amusingly, the MIT grad claimed he didn’t know whether Rentboy.com broke the law.

But he did know something else. “I do know, from the frantic emails filling my inbox, that the raid on its headquarters has thrown many gay, bisexual, and transgender young adults into turmoil as their main source of income has been ripped away due to irresponsible and archaic views of sex work,” [he wrote](#):

[M]any LGBT youth engage in sex work just to survive. A 2013 Center for American Progress report suggests that LGBT youth are more than three times as likely to have engaged in survival sex. ...

I am, however, overwhelmed with messages from GBT young men. ...

They are reaching out to me because of my passion for ending conversion therapy, a set of the dangerous and discredited practices linked to severe depression, substance abuse, and even suicide. The connection is horrifying: Many of the young men were forced into conversion therapy by their families — the families to which they may now have to return without a steady income. This makes it my issue.

One of the young men who messaged me said, “I was never harming anyone with the work that I was doing. As cheesy as it sounds, most of the people just wanted a human connection with someone who they could relate to on some basic human level.” Another young man added, “It feels like we had a chance to act with dignity and authenticity for the first time and it was taken away from us.”

Sam Brinton is not the only deviant who has been appointed to a key government job by Biden.

His secretary of transportation is homosexual [Pete Buttigieg](#), whose “husband” [was caught](#) on video grooming school kids.

Biden's Number 2 health official is Richard Levine, a cross-dresser [who calls](#) himself Rachel. He advocates puberty blockers for confused youngsters.

Biden's press secretary, Karine Jean-Pierre is a [lesbian](#) whose "partner" is CNN's [Suzanne Malveaux](#).
