“Capitol Offense” — What Led to the Destruction at the Capitol?

This video report, [produced by Zoe Warren](#) for [The Standard SC](#), gives an overview of the events of January 6, including details that have not been shown on mainstream news channels. Viewers can clearly see that some members of the crowd who descended on the Capitol were attempting to break into the building and turn patriotic Trump supporters against Capitol police. Some patriots tried to stop this, accusing the instigators of being Antifa. Footage is shown of 35-year-old Air Force veteran Ashli Babbitt, who was unarmed, get shot as she tried to crawl through a broken window. Viewers are encouraged to watch the video and arrive at their own conclusions.
