Luggage Thief Brinton Was on Taxpayer-funded Trip When Caught in Vegas

Sam Brinton, the world's most famous "non-binary" sadist and former Biden administration official, was on a taxpayer-funded junket when he was caught stealing luggage at the airport in Las Vegas.

That's more bad news for President Biden about Brinton, who became a hero to nuts and fruits everywhere when [Ganja Joe](#) gave him [a key position](#) in the Energy Department.

Understandably, GOP Senator John Barrasso of Wyoming wants to know just who cleared the obviously deranged Brinton for a top job in the Energy Department, or if anyone vetted him at all. Then again, it's not impossible that Brinton was hired precisely because he is a mentally ill sex pervert.

Your Tax Dollars at Work

The latest on the light-fingered weirdo comes to us from the [Functional Government Initiative](#), which gathered documents that show how much taxpayers coughed up to pay for the nancy boy's trip.

"Federal funds paid for non-binary Brinton, who uses they/them pronouns, to head to the city as a representative for the DOE's Office of Nuclear Energy in July 2022, according to internal expense reports provided to The Post by the federal watchdog Functional Government Initiative (FGI)," the [New York Post reported](#). "Not only did Sam Brinton commit a crime, the illegal shopping spree was funded by taxpayers," FGI's spokesman Pete McGinnis told the newspaper. "The pattern of petty theft shows that Brinton never should've been hired and given a security clearance in the first place."

Brinton stayed at the [Hilton Grand Vacations Club](#) for three days. Cost to the taxpayers: \$1,915.50.

[Surveillance cameras recorded](#) Brinton swiping the bag, which contained more than \$3,000 of belongings, its owner said. Police said he acted suspiciously when he purloined the portmanteau from the carousel at Harry Reid International Airport.

Brinton pleaded no contest. The judge sentenced him to 180 days in jail, all suspended, and ordered him to pay \$3,670.74 to the victim in the case and \$500 more in fees and a fine.

That was Brinton's third theft. In September, [cameras caught him](#) swiping a Vera Bradley bag at

Minneapolis airport. That one he took on a trip to Europe. In May, [he was arrested](#) for stealing a bag in 2018.

The Energy Department [booted him](#) out the door in December. Brinton's portfolio was deputy assistant secretary of the Office of Spent Fuel and Waste Disposition.

Barrasso: Who Hired This Nut?

One would think that Tranny Joe, or someone in his three-ring circus that has one less clown, should explain just how a man [who gives](#) spanking seminars and defends underage homosexual prostitution landed a top government job that requires a security clearance.

In November, [Barrasso asked](#) Energy Secretary Jennifer Granholm who cleared Brinton to be hired and other questions about the department's hiring and clearance procedures. That letter followed one last July in which he asked similar questions.

Brinton's personal life, [which includes claims](#) of a traumatic childhood, showed that he was a major national security risk, and shouldn't have been anywhere near a sensitive government job [that requires](#) a security clearance.

[He is](#) involved in something called pup play, which involves a master dominating another man who pretends he is a dog. And frighteningly, he defended a website that was pimping underage homosexual prostitutes.

When federal authorities raided Rentboy.com, Brinton turned the same color as his lipstick.

"I do know, from the frantic emails filling my inbox, that the raid on its headquarters has thrown many gay, bisexual, and transgender young adults into turmoil as their main source of income has been ripped away due to irresponsible and archaic views of sex work," [he wrote](#). "[M]any LGBT youth engage in sex work just to survive. A 2013 Center for American Progress report suggests that LGBT youth are more than three times as likely to have engaged in survival sex."

Other Freaks Who Work for Biden

But Brinton, of course, isn't the only oddball on the taxpayers' payroll.

Another is Richard Levine, a cross-dressing pediatrician who calls himself Rachel. He is the No. 2 federal health official, despite a case of obvious mental illness or deranged sexual fetish for dressing in women's clothes. Biden also made him an "admiral."

“father” because someone even crazier let the happy couple adopt two children. Buttigieg’s “husband” was caught on tape grooming kids.

And that’s just three of Tranny Joe’s appointments, the point of which is hurling a mud pie in the face of normal Americans.
