MTG Hints at Conservative Insurrection Against Trump; Denounces Leavitt for Not Ruling Out Draft, Troops in Iran

Former GOP Representative Marjorie Taylor Greene is on the warpath against President Donald Trump over his bombing of Iran, and strongly hinted today that an America First insurrection against Trump — if not a third party political effort — might be underway.

Today's post, which denounced the "boomer donors" who keep GOP elites in charge, followed her evisceration of White House spokesman Karoline Leavitt for refusing to rule out not just boots on the ground in Iran, but also a military draft, which the former MAGA queen said could include women.

Speaking of both political parties, Greene wrote that an "entire generation" of them must be "removed."

Neocon Establishment Rules

Today's X post reprises [what Greene said](#) when she resigned from Congress on January 5 after Trump excommunicated her from MAGA. Trump viciously attacked her because she sided with Democrats in voting for a bill to release the Epstein files, a campaign promise that Trump was set to break until he was forced to sign the bill.

Indeed, the Epstein squabble ripped the MAGA coalition apart. Trump went to war against Greene and GOP Representative Thomas Massie of Kentucky, [who joined](#) with Democrat Ro Khanna of California to denounce the Department of Justice for procrastinating on the files' release.

Greene — [Freedom Index lifetime score, 97 percent](#) — said she disagreed with Trump on just a few issues: H-1B visas that put Americans out of work, Trump's "debt for life" 50-year mortgage plan, "involvement in foreign wars," and, most notably, "the release of the Epstein files."

Otherwise, she has stood strongly behind him.

That didn't matter. When she announced her resignation in November, the president denounced her.

"Marjorie 'Traitor' Brown, because of PLUMMETING Poll Numbers, and not wanting to face a Primary Challenger with a strong Trump Endorsement (where she would have no chance of winning!), has decided to call it 'quits,'" he wrote on Truth Social:

Her relationship with the WORST Republican Congressman in decades, Tom Massie of Kentucky, also known as Rand Paul Jr. because he votes against the Republican Party (and really good legislation!), did not help her. For some reason, primarily that I refused to return her never ending barrage of phone calls, Marjorie went BAD. Nevertheless, I will always appreciate Marjorie, and thank her for her service to our Country! President DJT

“Political Industrial Complex”

Greene fired back in a [farewell video](#) on X, and a long post explaining her decision.

“Americans are used by the Political Industrial Complex of both Political Parties, election cycle after election cycle, in order to elect whichever side can convince Americans to hate the other side more,” she wrote:

And the results are always the same.

No matter which way the political pendulum swings, Republican or Democrat, nothing ever gets better for the common American man or woman.

The debt goes higher.

Corporate and global interests remain Washington’s sweethearts.

American jobs continue to be replaced whether it’s by illegal labor or legal labor by visas or just shipped overseas. ...

I have fought harder than almost any other elected Republican to elect Donald Trump and Republicans to power, traveling the country for years, spending millions of my own money, missing precious time with my family that I can never get back, and showing up in places like outside the New York Courthouse in Collect Pond Park against a raging leftist mob as Trump faced Democrat lawfare.

Meanwhile most of the Establishment Republicans, who secretly hate him and who stabbed him in the back and never defended him against anything, have all been welcomed in after the election.

Greene hasn’t changed her mind since then. Today she roasted neoconservative warmongers and “boomer” Republicans. Possibly ahead is an America First revolution against the movement’s once-trusted leader.

“I’ve been on the phone with some of the top America First Conservative leaders. We are all in agreement,” she wrote:

The admin and Republican Party is going in the wrong direction on key issues, like the war, Epstein, and especially domestic issues, and has been completely hijacked by the Lindsey Grahams, Mark Levin, and the neocon establishment Republicans we all voted against.

The future of America belongs to us, the younger generations, not the boomers in charge and their boomer donors.

Congress, she wrote, is “completely broke and controlled.”

“An entire generation of elected leaders, their donors, and controlling interests have to be removed,” she continued. “And it’s both sides.”

“Psycho Republicans,” “Blood Thirsty Maniacs”

Today’s attack follows [another on March 8](#), after Karoline Leavitt appeared with Fox talker Maria Bartiromo. The hostess asked the White House spokesman about the mothers who fear their sons and daughters will be drafted to fight in Iran. Although the campaign thus far has been confined to air raids, Bartiromo asked about the possibility of troops on the ground.

Leavitt repeated what Trump told the *New York Post*: Americans might die face down in the sands of Persia.

“President Trump wisely does not remove options off of the table,” Leavitt said:

I know a lot of politicians like to do that quickly. But the president as commander-in-chief wants to continue to assess the success of this military operation. It’s not part of the current plan right now, but the president, again, wisely keeps his options on the table.

MTG, as she is known, went to DEFCON 1.

“Karoline Leavitt doesn’t rule out a draft,” she fumed:

How about the answer is NO DRAFT AND NO BOOTS ON THE GROUND because we campaigned on NO MORE FOREIGN WARS OR REGIME CHANGE!!!

Liars every single one of them!

Not my son, over my dead body!!!!

She thinks those who promote the war should fight it. "Send Lindsey Graham, Mark Levin, and Laura Loomer and ALL the murderous blood thirsty maniacs that support this America LAST WAR."

Greene forgot to mention chickenhawk "conservatives" Sean Hannity and Ben Shapiro, who sat out the last two wars in the Middle East and the ill-fated military adventure in Afghanistan.

"Trump and Republicans need to guarantee that there will be NO DRAFT AND NEVER DRAFT OUR DAUGHTERS," [she wrote](#).

As [The New American reported](#) earlier today, Vice President J.D. Vance urged Americans to vote for Trump in 2024 because he would keep America out of war.

"If you want your kid to go and fight some stupid globalist war, vote for Joe Biden," Vance said:

If you want to send American Marines and soldiers to fight only when we have to, vote for Donald Trump.
